- 23 students (33%) completed the questionnaire.
- 11 students partially completed the questionnaire.
- 36 students did not answer the questionnaire.

Which programme are you enrolled in this semester?

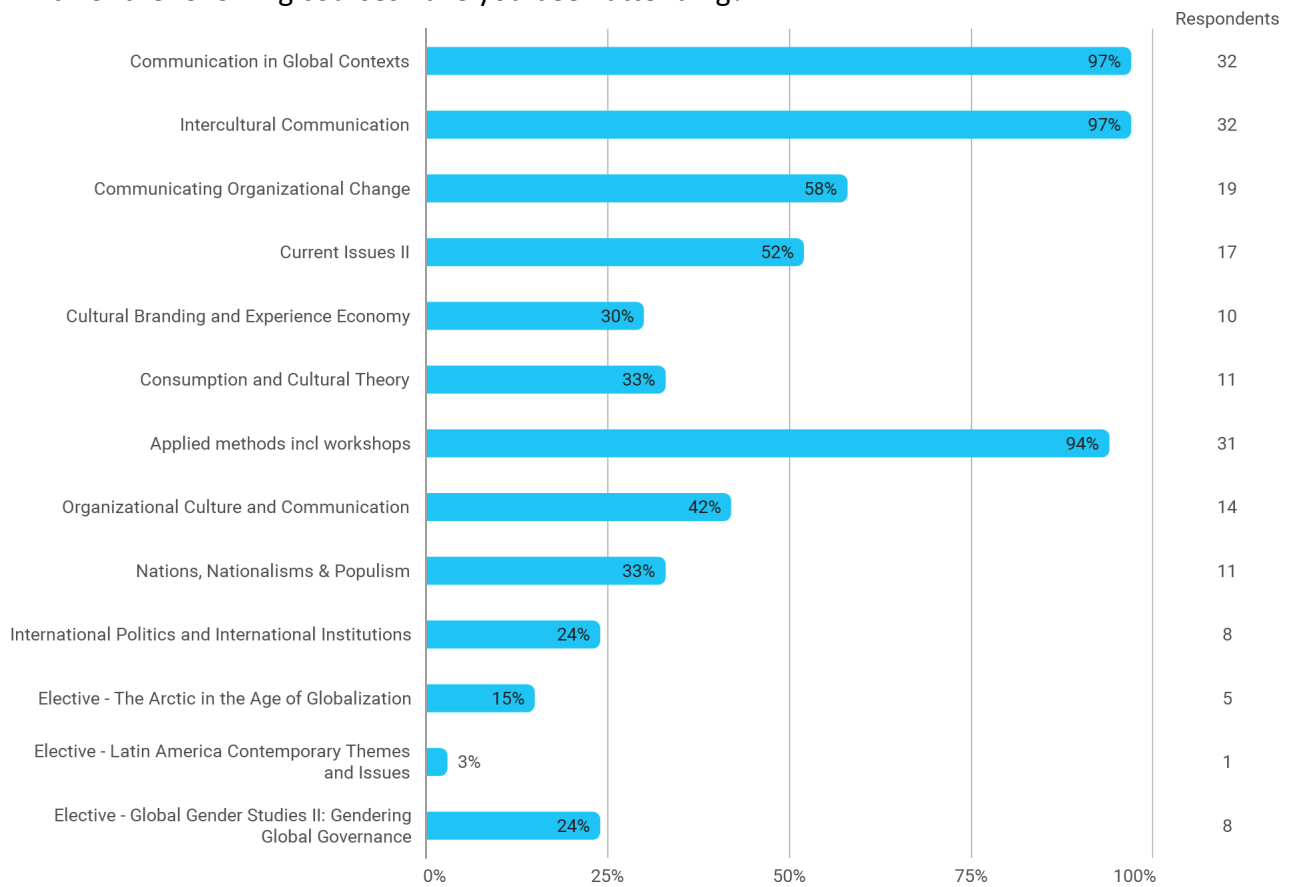

Which programme are you enrolled in this semester? - Other (please indicate specialisation, "empty place" or similar)

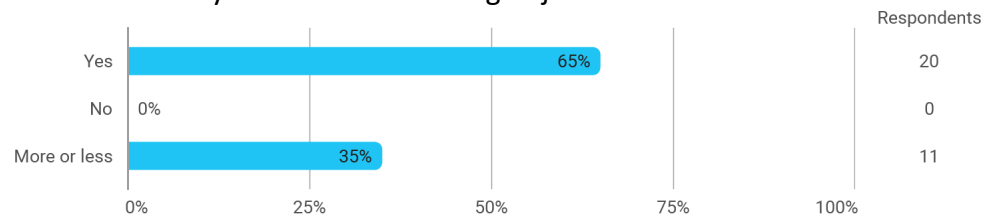

In which semester have you been attending courses?

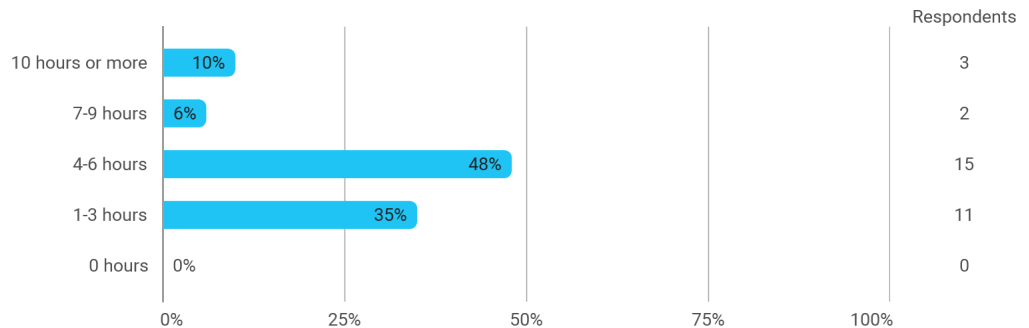

## Which of the following courses have you been attending?

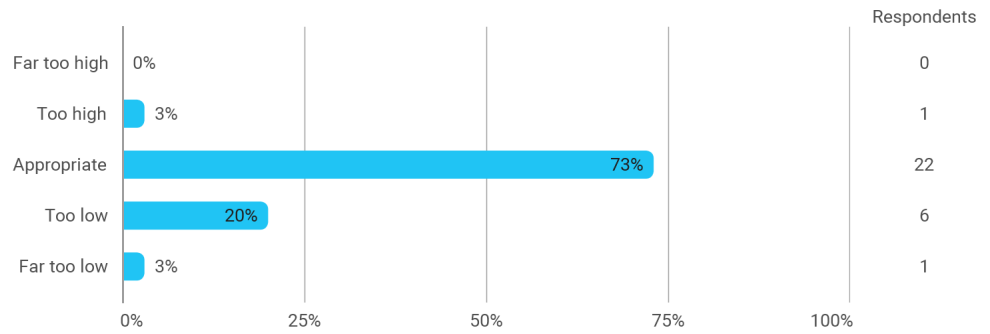

## Communication in Global Contexts: Do you know the learning objectives of the course?

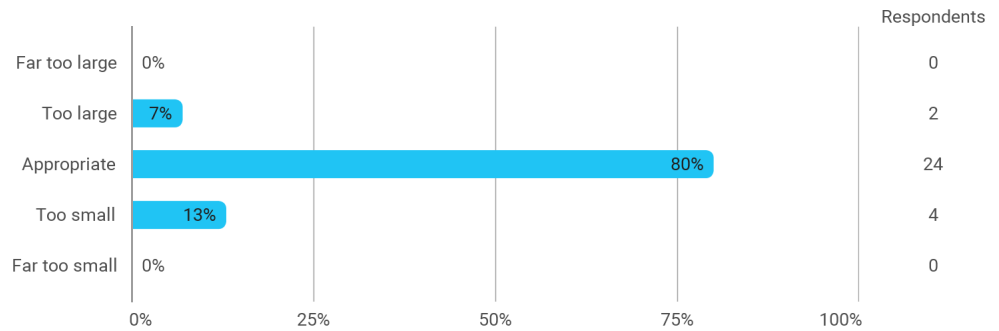

## Challenges and Future of Communication in Global Contexts: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

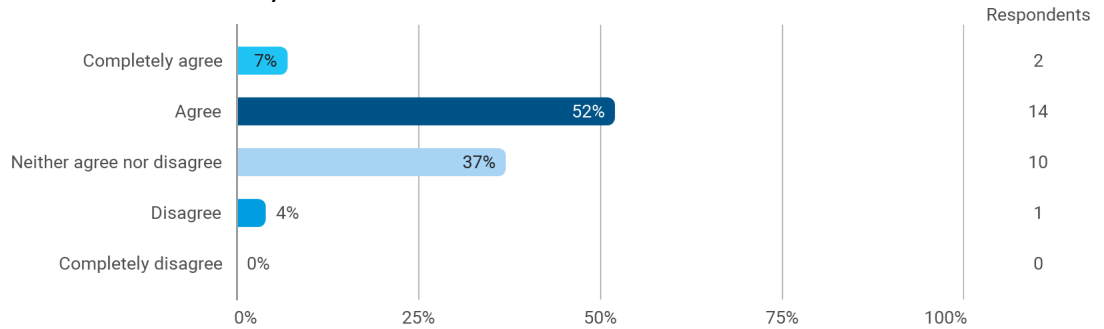

Communication in Global Contexts: The level of the course was

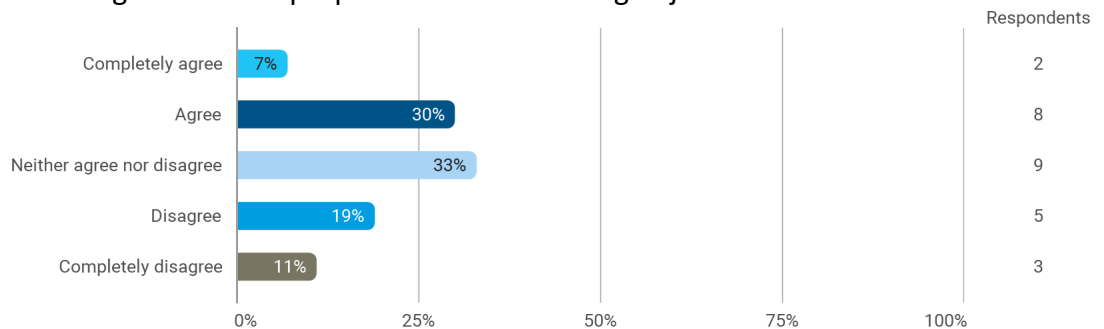

Communication in Global Contexts: The extent was

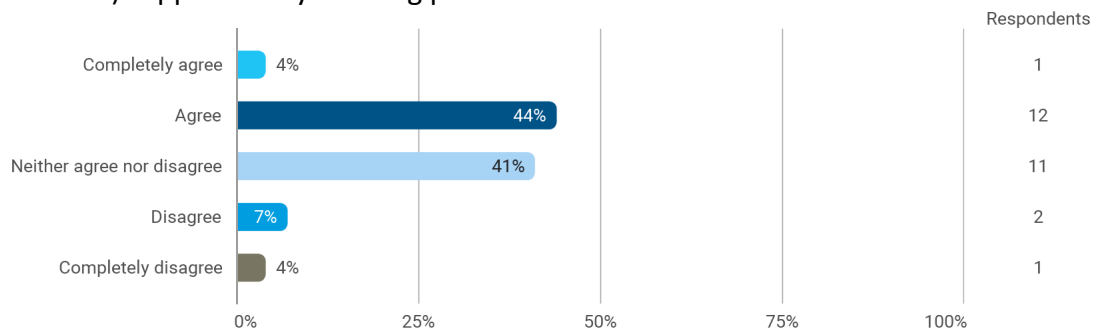

Challenges and Future of Communication in Global Contexts: Learning objectives and standards of assignments and exams were clearly formulated and communicated

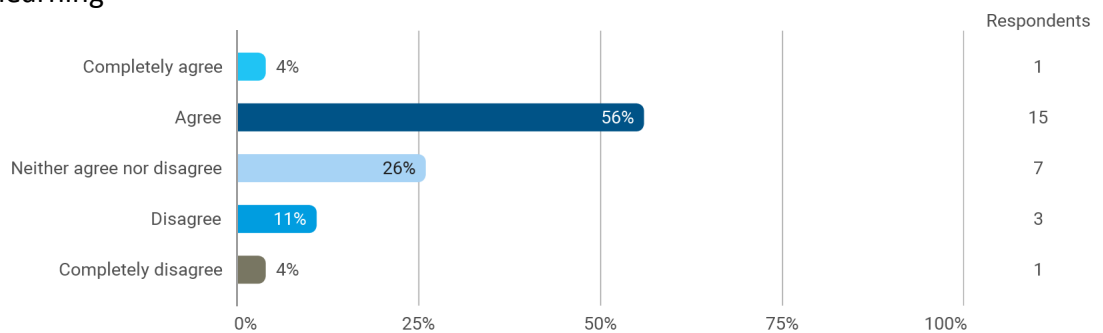

Challenges and Future of Communication in Global Contexts: All things considered, the course gave me a good learning outcome in proportion to the learning objectives

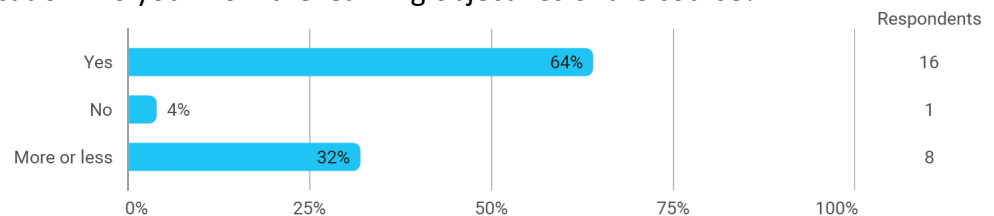

Challenges and Future of Communication in Global Contexts: The course material (literature, assignments, cases etc.) supported my learning process.

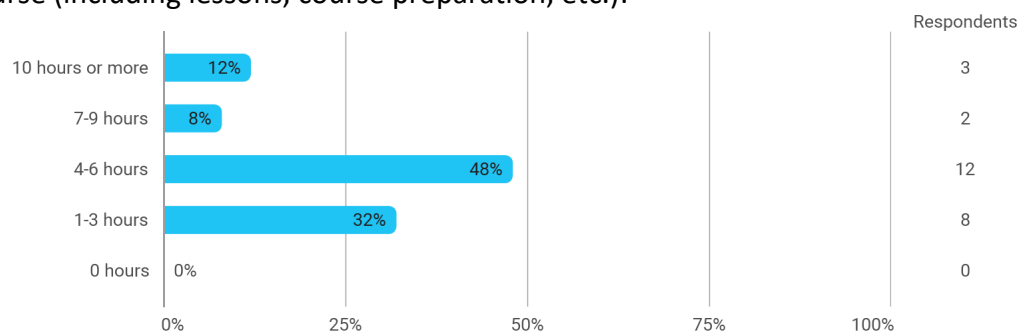

Challenges and Future of Communication in Global Contexts: The presentation of the material supported my learning

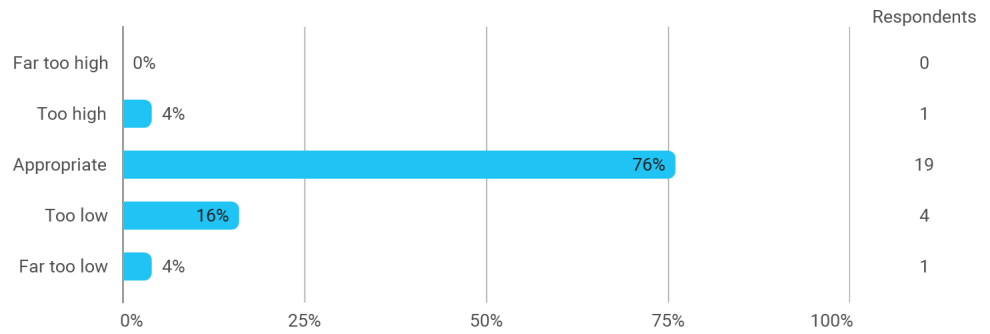

Intercultural Communication: Do you know the learning objectives of the course?

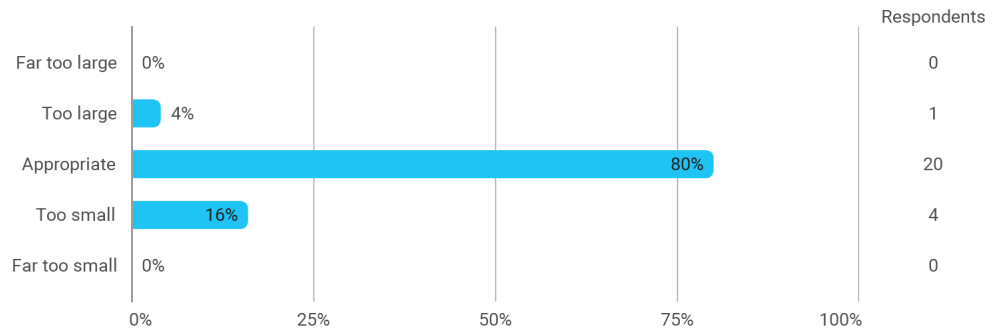

Intercultural Communication: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

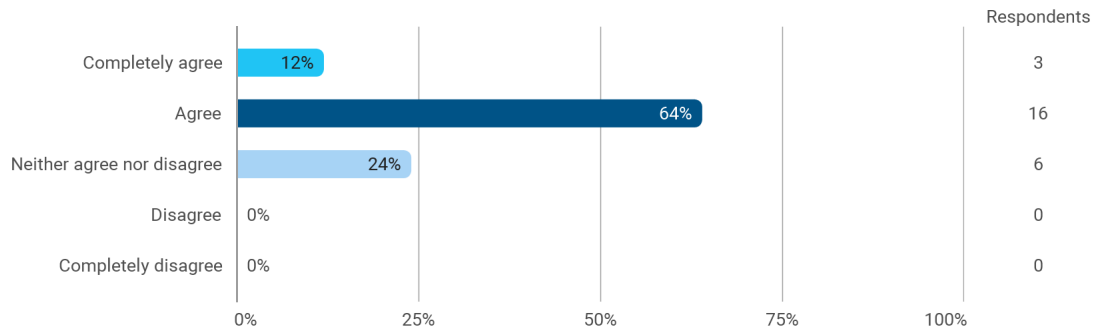

**Intercultural Communication: The level of the course was:**

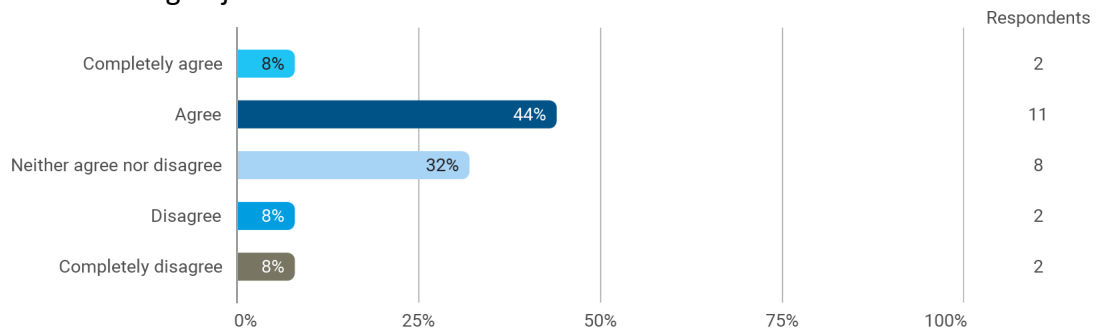

**Intercultural Communication: The extent was:**

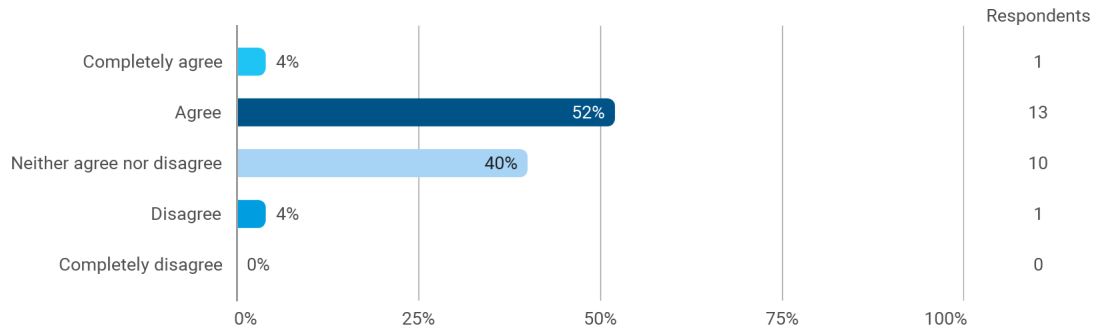

**Intercultural Communication: Learning objectives and standards of assignments and exams were clearly formulated and communicated**

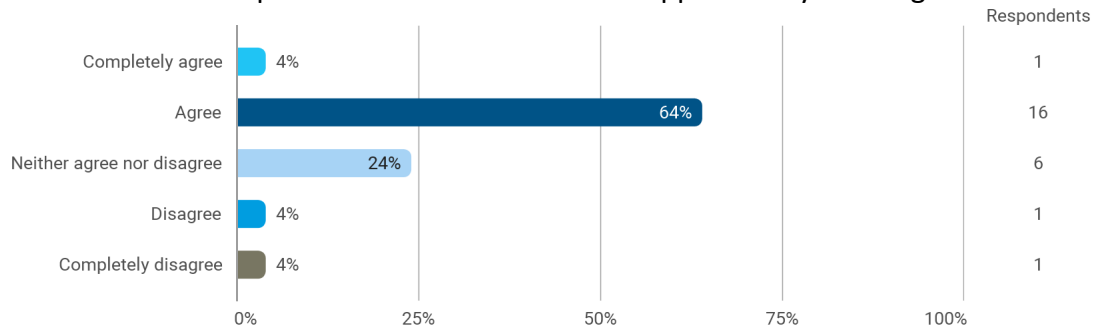

**Intercultural Communication: All things considered, the course gave me a good learning outcome in proportion to the learning objectives**

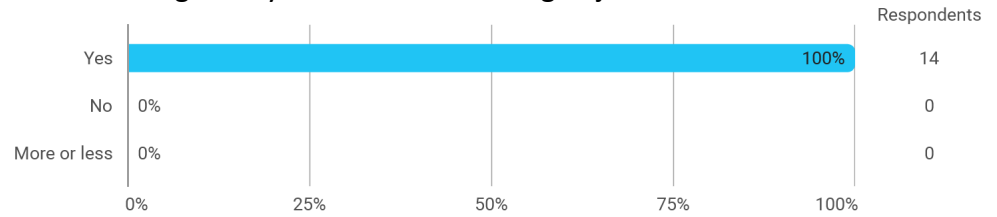

**Intercultural Communication: The course material (literature, assignments, cases etc.) supported my learning process**

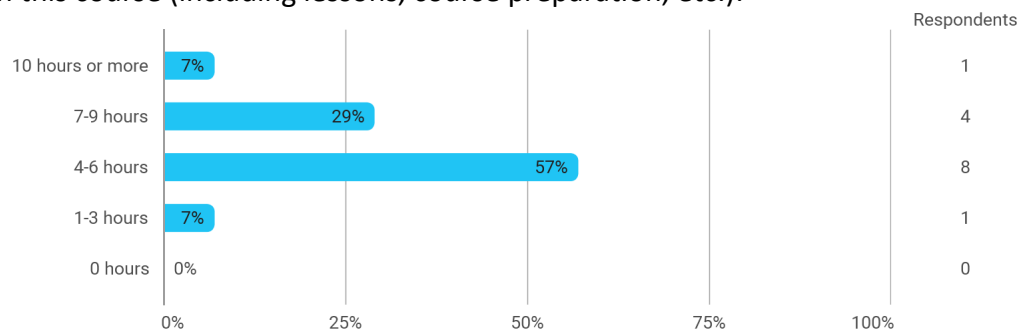

**Intercultural Communication: The presentation of the material supported my learning**

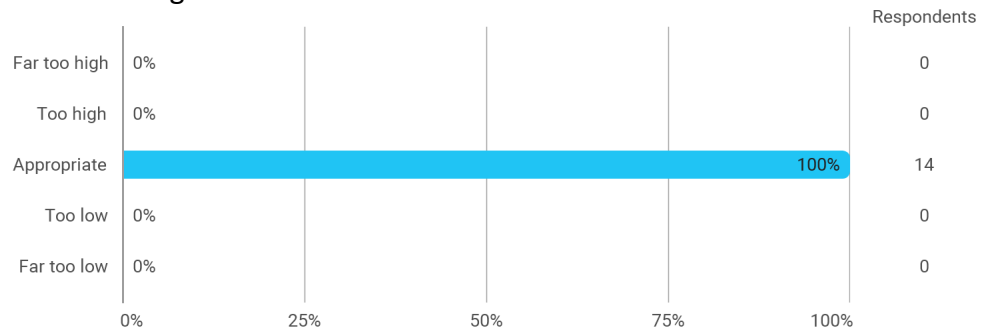

**Communicating Organizational Change: Do you know the learning objectives of the course?**

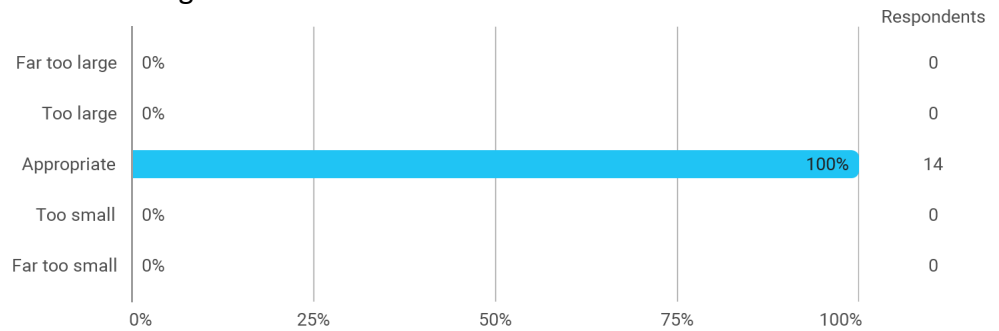

**Communicating Organizational Change: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):**

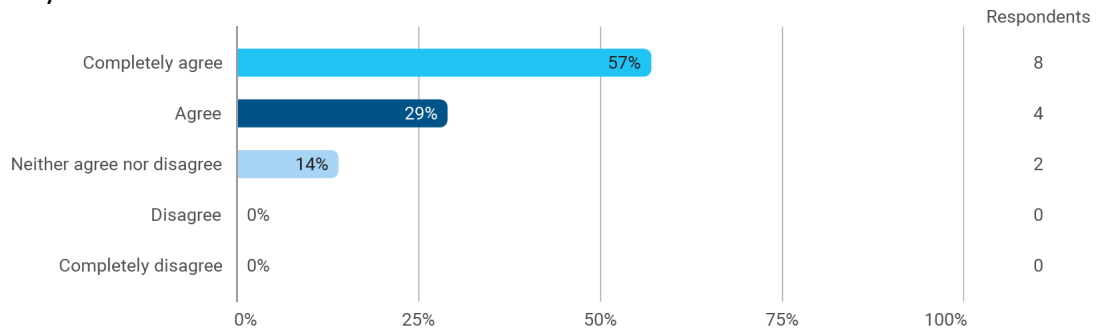

Communicating Organizational Change: The level of the course was

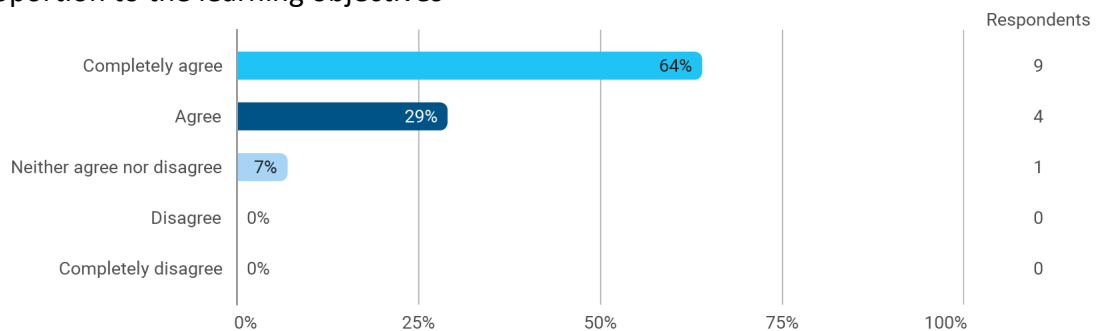

Communicating Organizational Change: The extent was

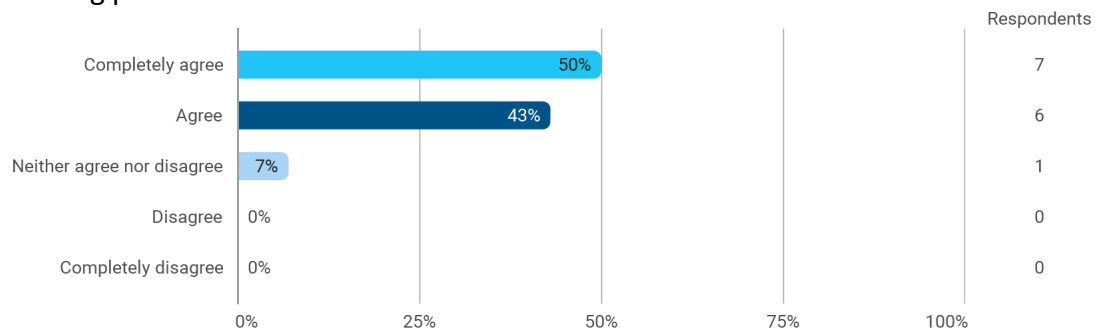

Communicating Organizational Change: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

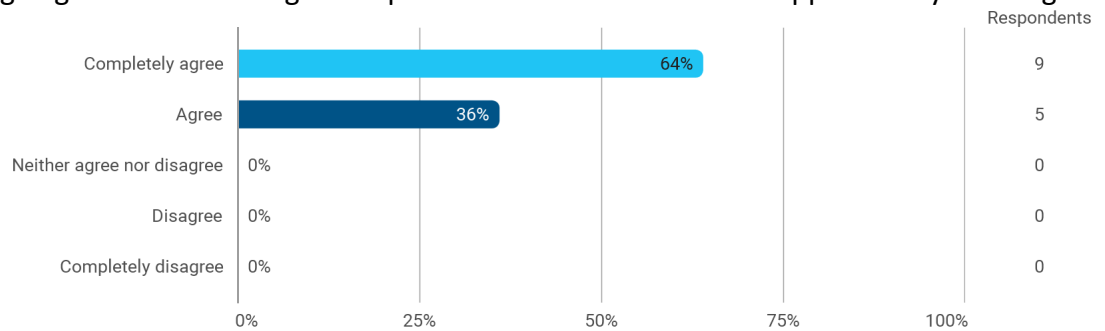

Communicating Organizational Change: All things considered, the course gave me a good learning outcome in proportion to the learning objectives

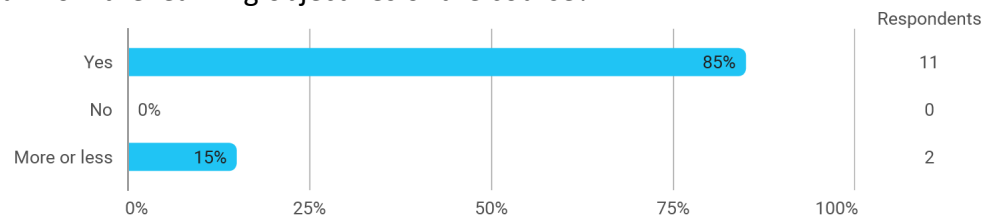

Communicating Organizational Change: The course material (literature, assignments, cases etc.) supported my learning process

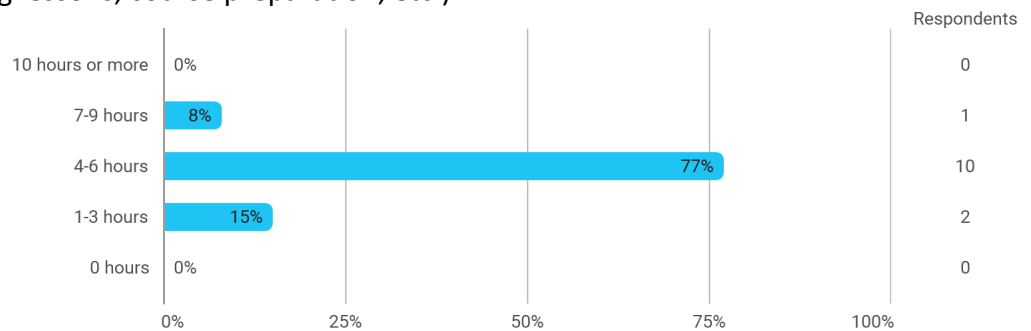

Communicating Organizational Change: The presentation of the material supported my learning

Current Issues II: Do you know the learning objectives of the course?

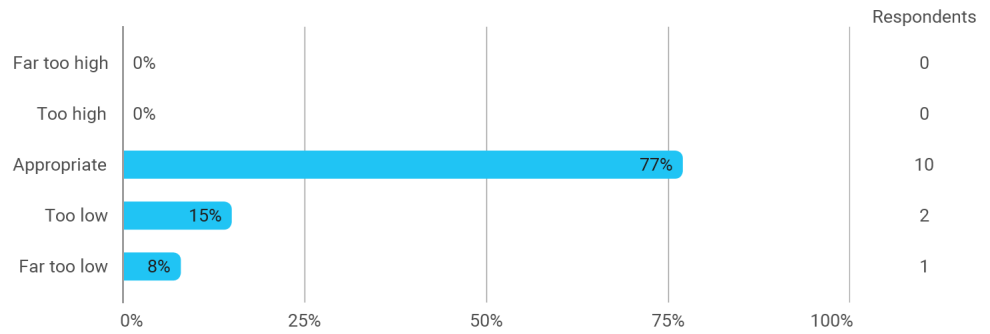

Current Issues II: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

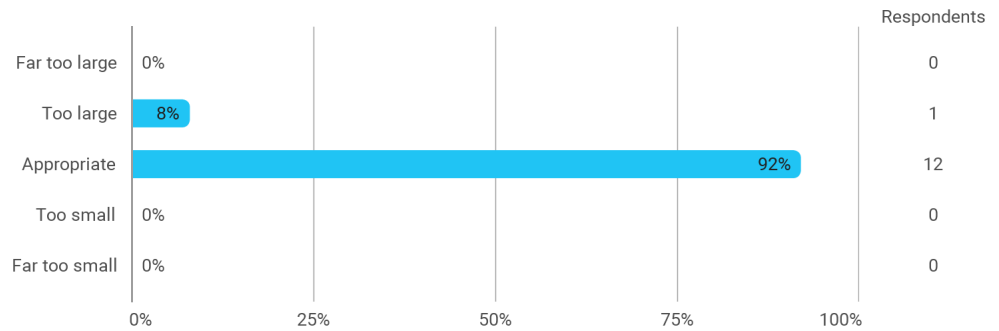

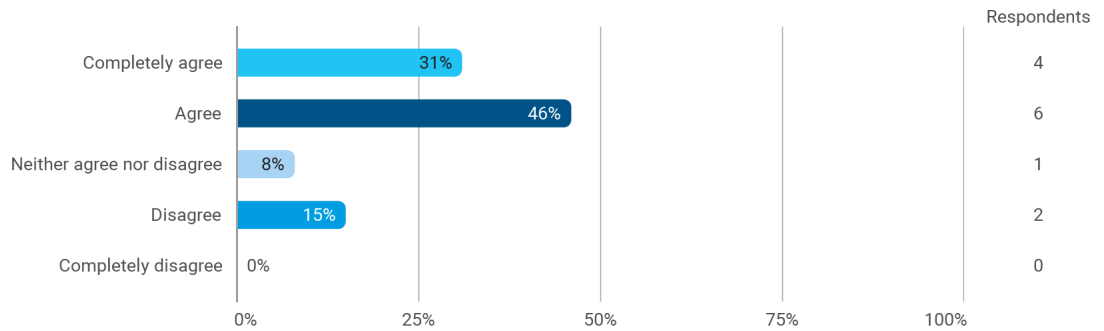

**Current Issues II: The level of the course was**

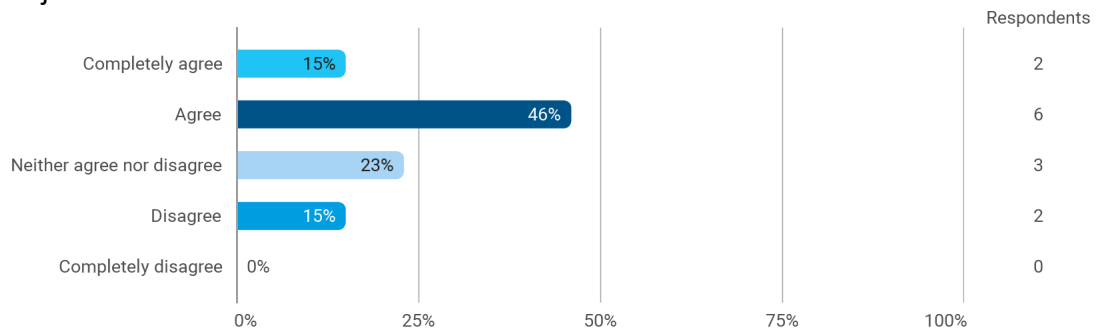

**Current Issues II: The extent was**

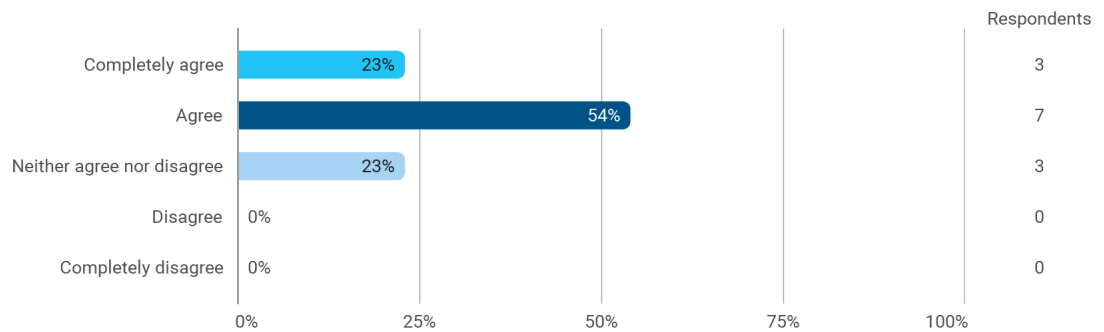

**Current Issues II: Learning objectives and standards of assignments and exams were clearly formulated and communicated.**

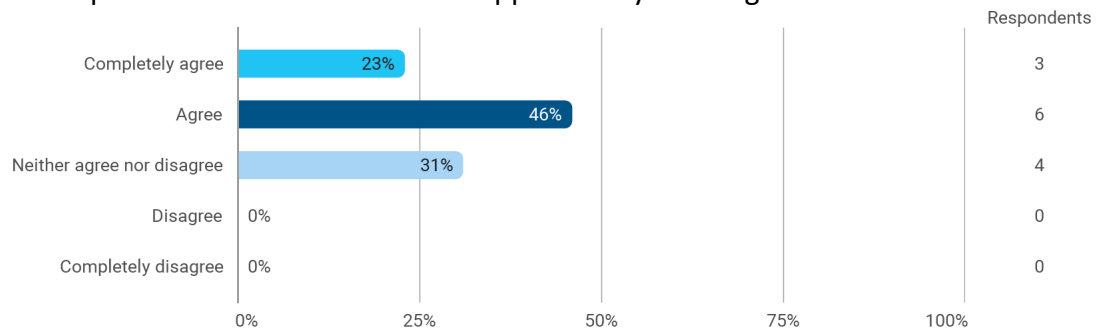

**Current Issues II: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.**

Current Issues II: The course material (literature, assignments, cases etc.) supported my learning process.

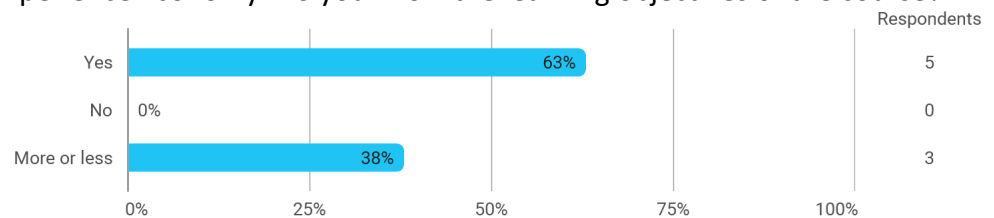

Current Issues II: The presentation of the material supported my learning

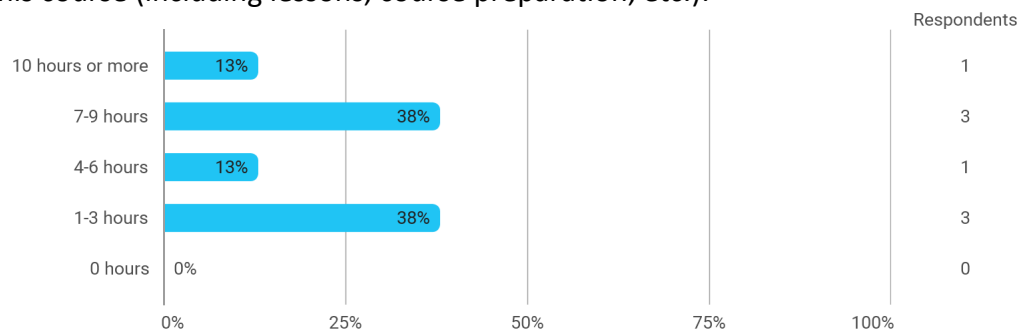

Current Issues II: Suggestions/comments on how the course may become more rewarding?

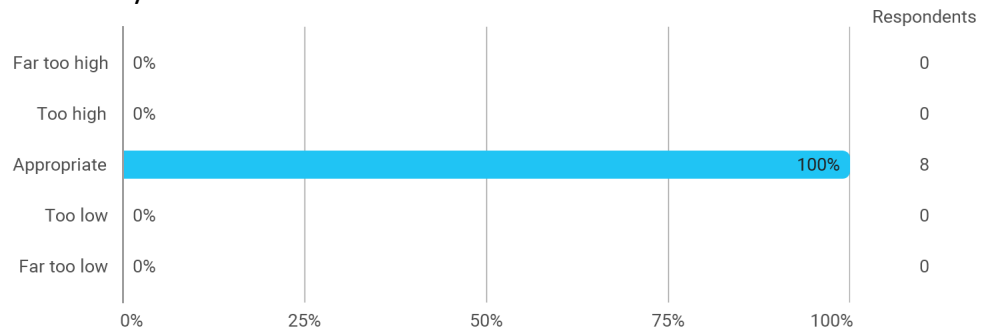

Cultural branding and Experience Economy: Do you know the learning objectives of the course?

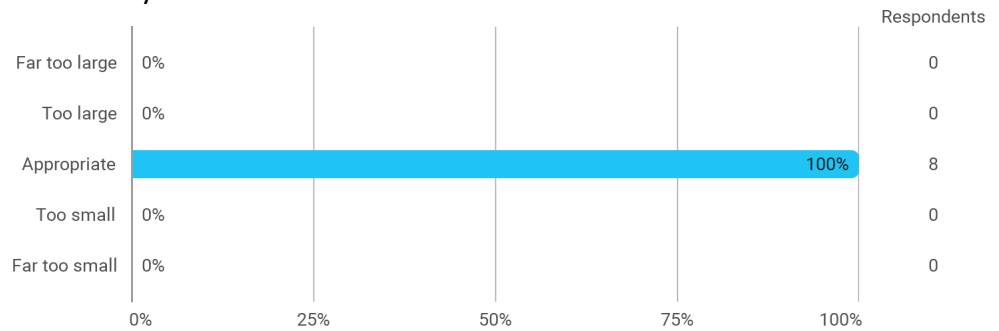

Branding and Experience Economy: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

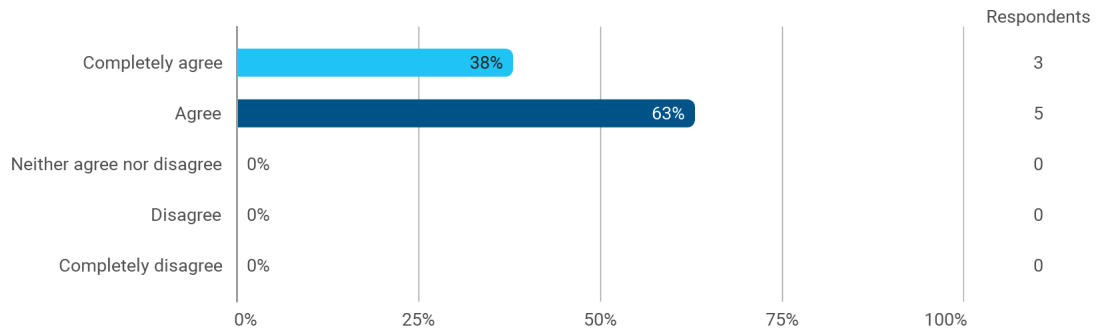

**Branding and Experience Economy: The level of the course was**

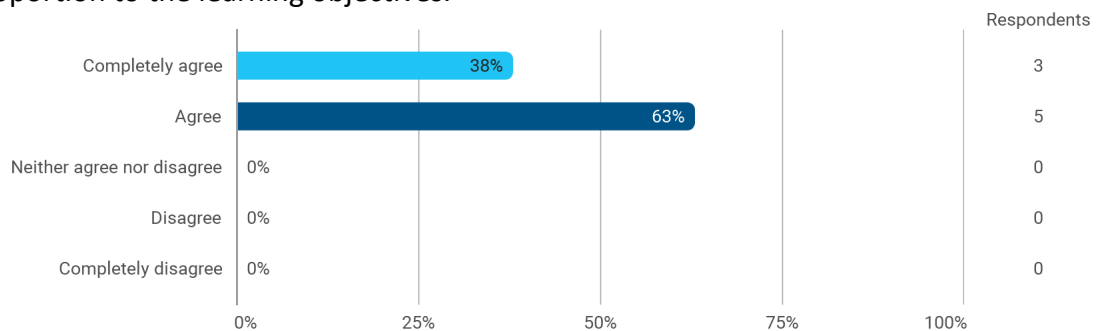

**Branding and Experience Economy: The extent was**

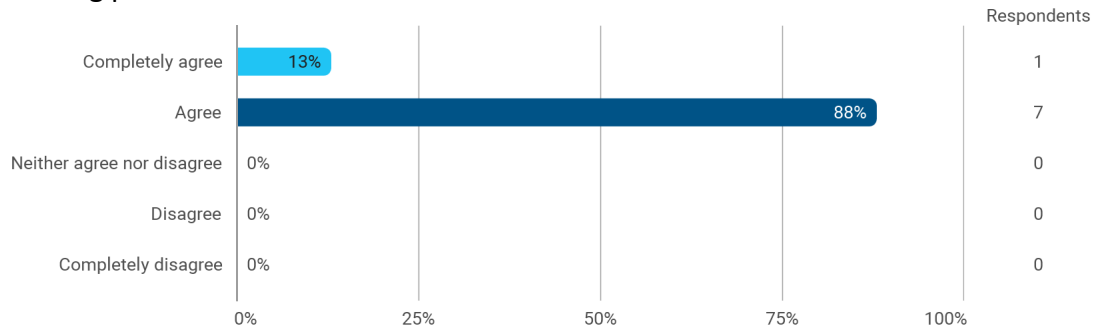

**Branding and Experience Economy: Learning objectives and standards of assignments and exams were clearly formulated and communicated.**

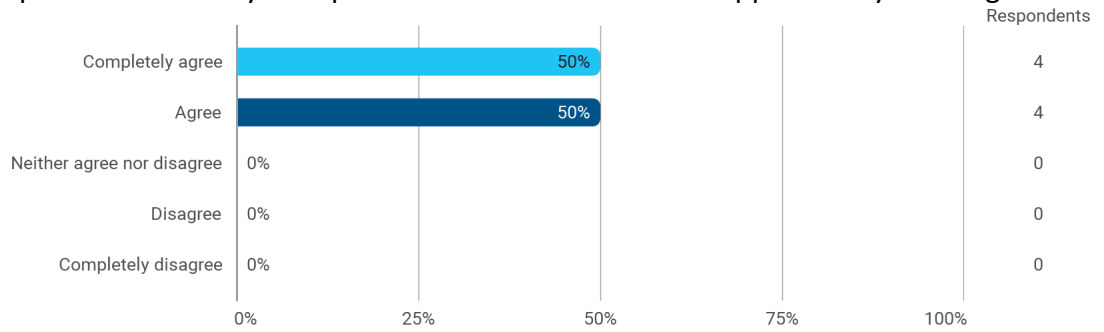

**Branding and Experience Economy: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.**

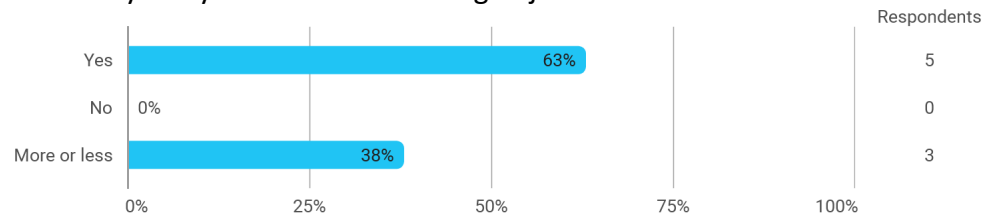

Branding and Experience Economy: The course material (literature, assignments, cases etc.) supported my learning process.

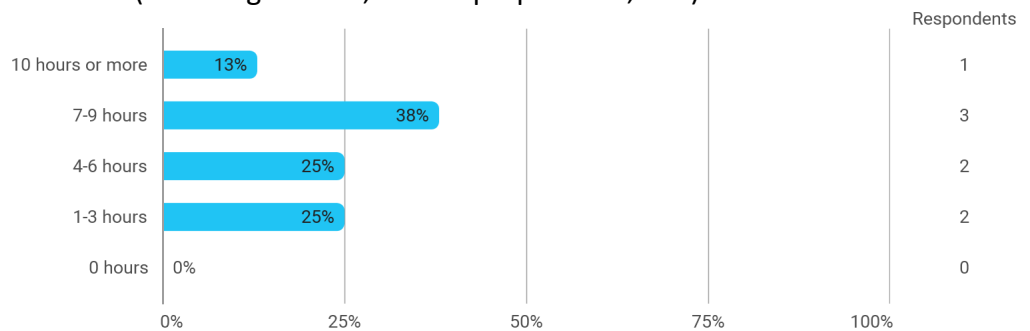

Branding and Experience Economy: The presentation of the material supported my learning

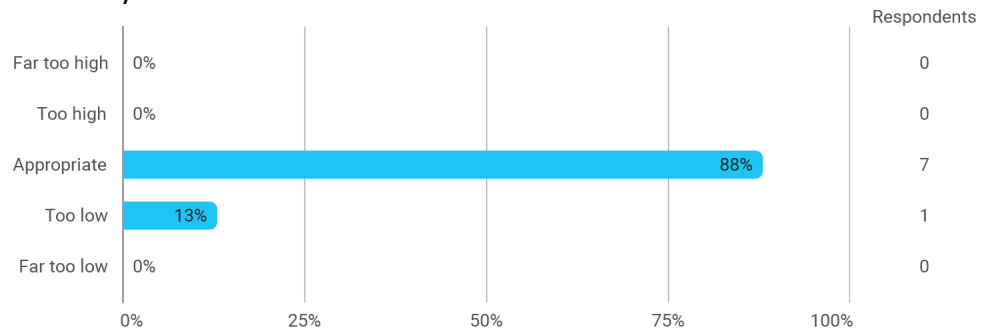

Consumption and Cultural Theory: Do you know the learning objectives of the course?

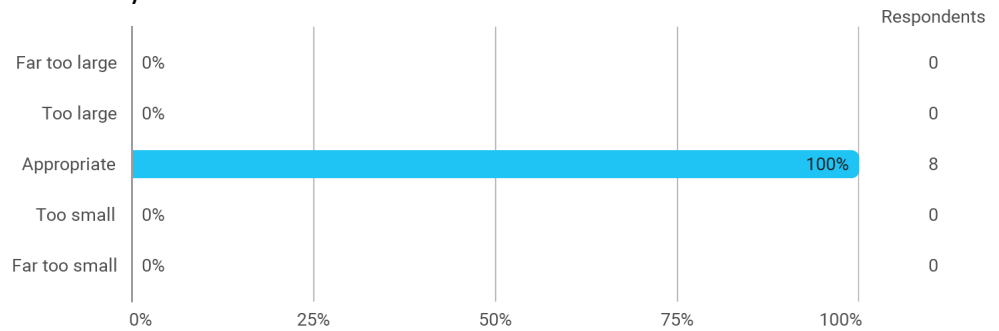

Consumption and Cultural Theory: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

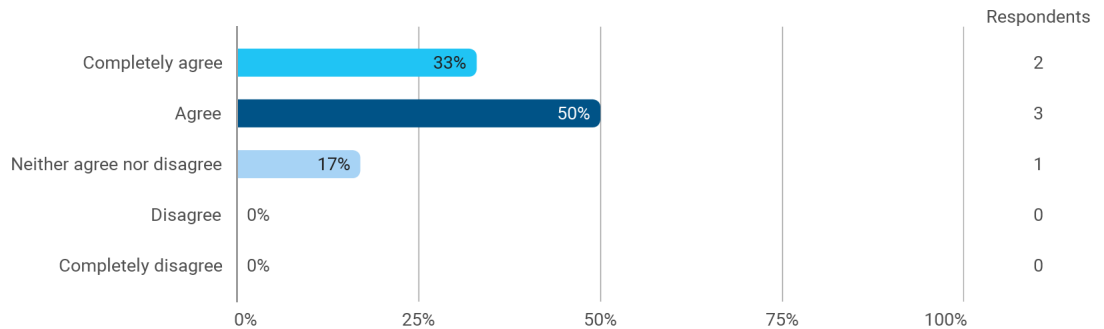

Consumption and Cultural Theory: The level of the course was

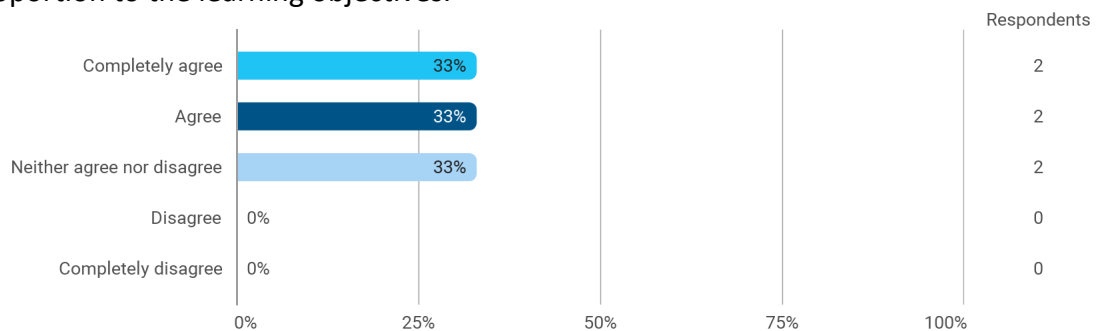

Consumption and Cultural Theory: The extent was

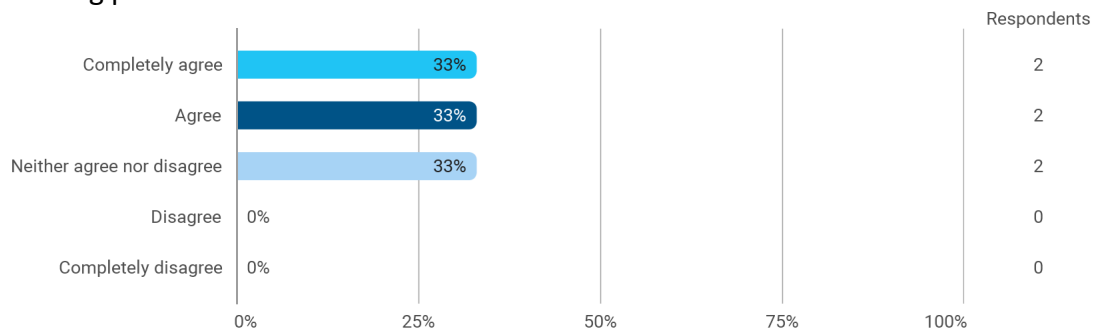

Consumption and Cultural Theory: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

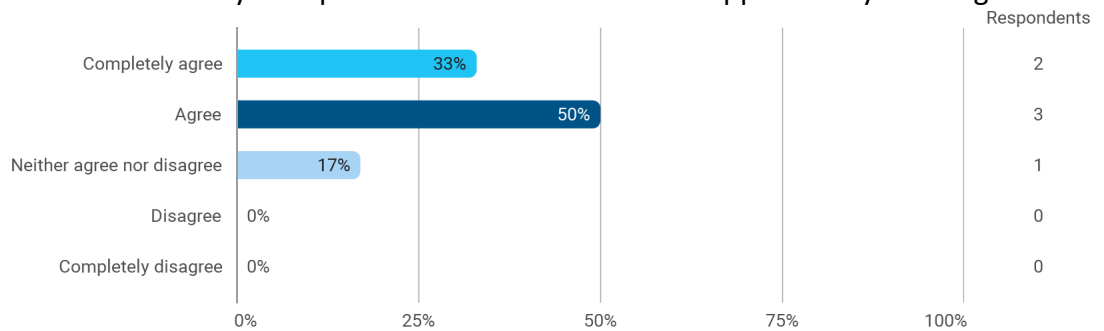

Consumption and Cultural Theory: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

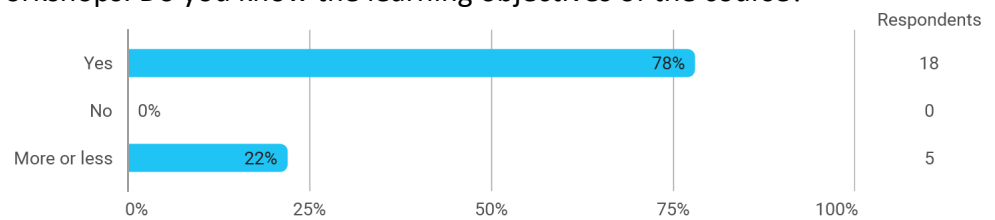

Consumption and Cultural Theory: The course material (literature, assignments, cases etc.) supported my learning process

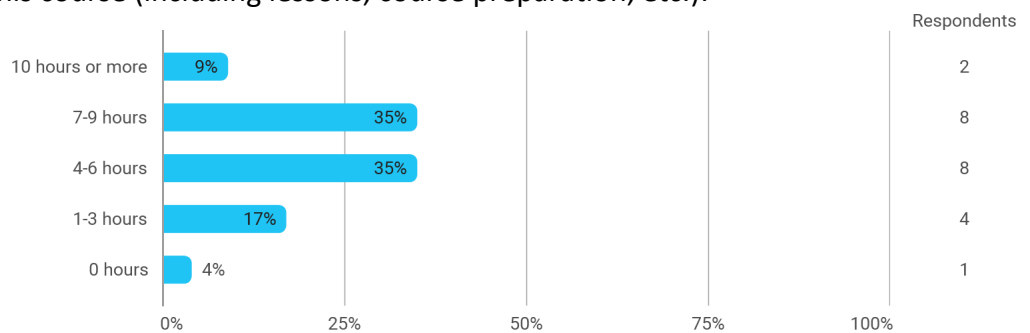

Consumption and Cultural Theory: The presentation of the material supported my learning.

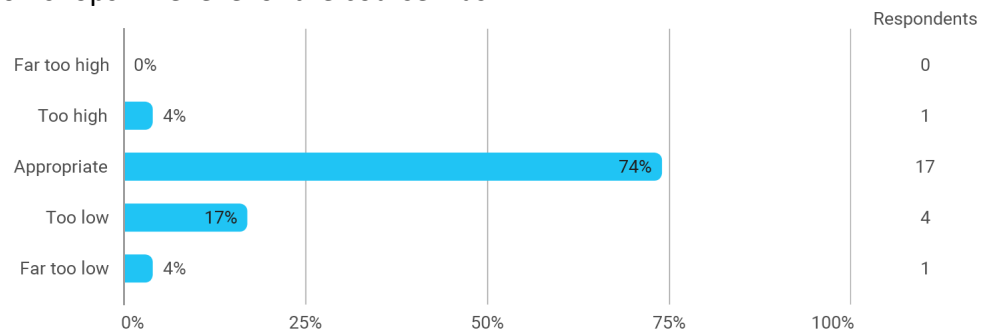

Applied methods incl workshops: Do you know the learning objectives of the course?

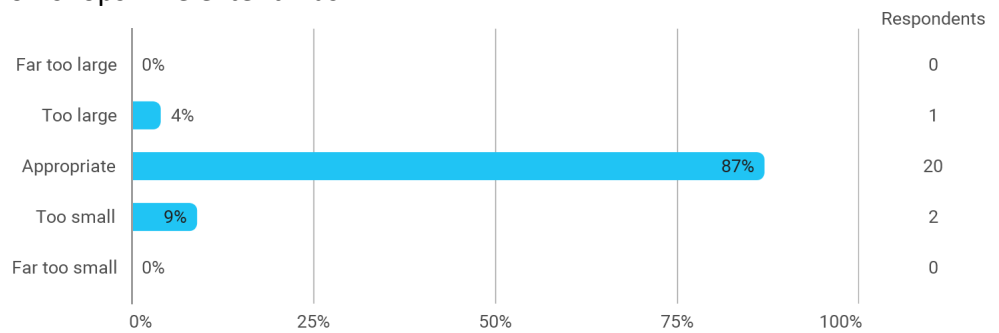

Applied methods incl workshops: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

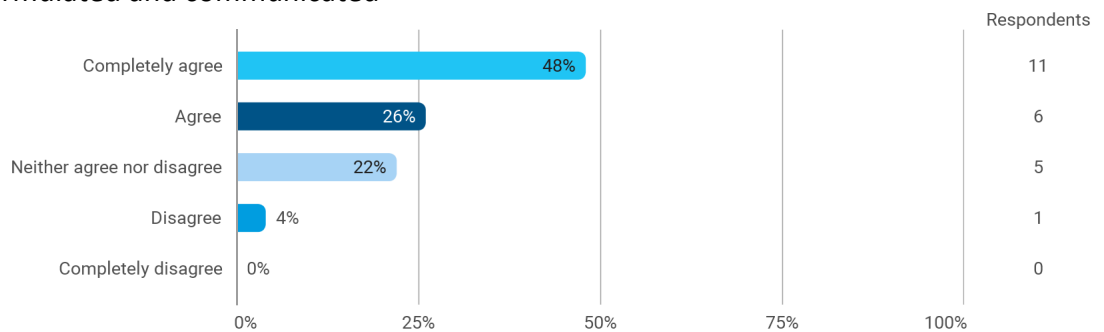

Applied methods incl workshops: The level of the course was

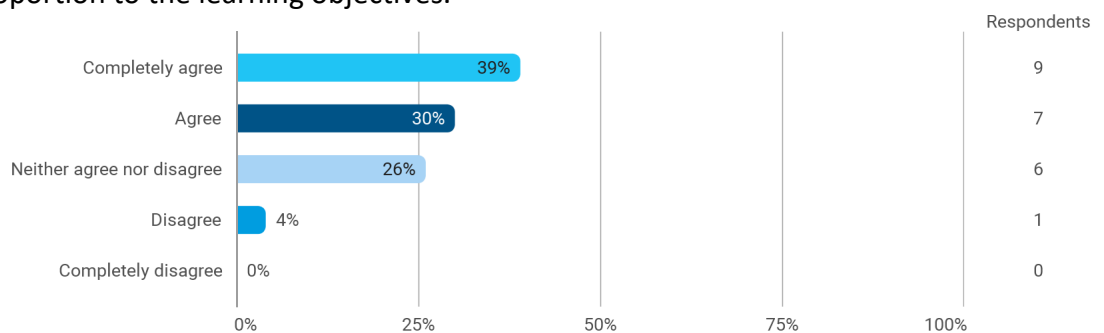

Applied methods incl workshops: The extent was

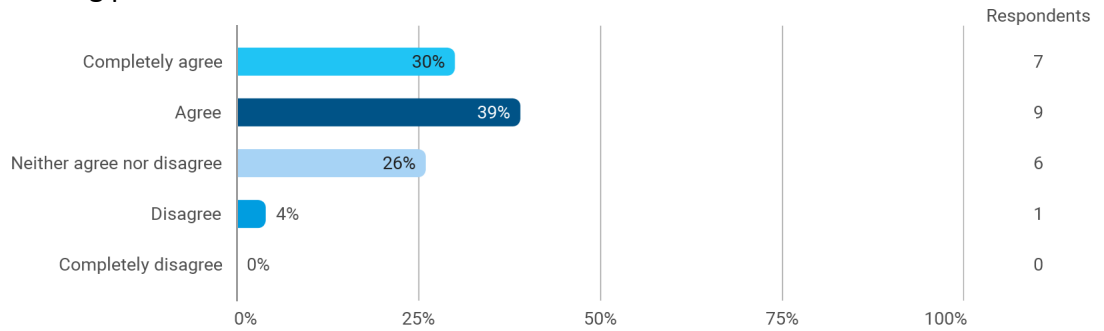

Applied methods incl workshops: Learning objectives and standards of assignments and exams were clearly formulated and communicated

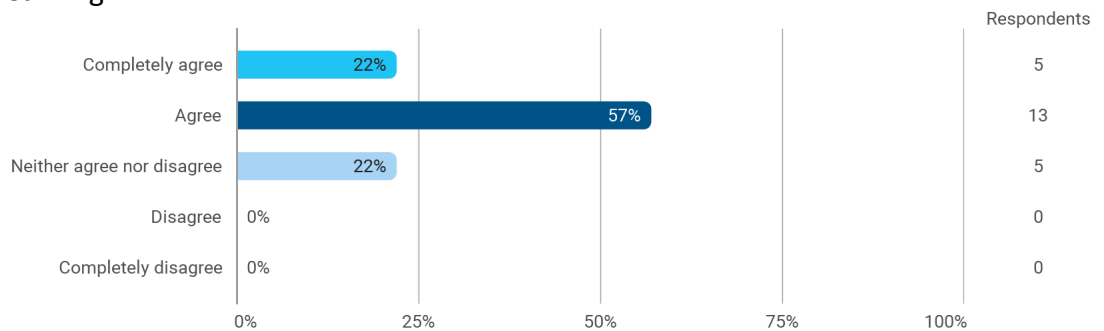

Applied methods incl workshops: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

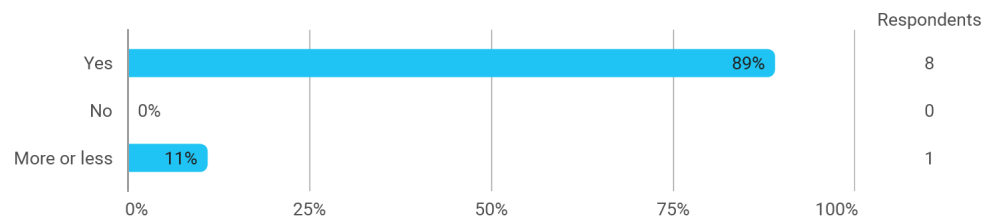

Applied methods incl workshops: The course material (literature, assignments, cases etc.) supported my learning process.

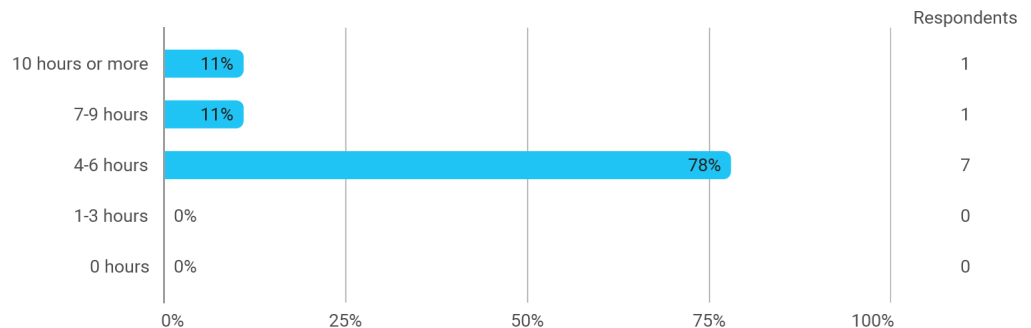

Applied Methods: Market Communication and Consumption: The presentation of the material supported my learning.

Globalization, Communication and Organizational Leadership: Do you know the learning objectives of the course?

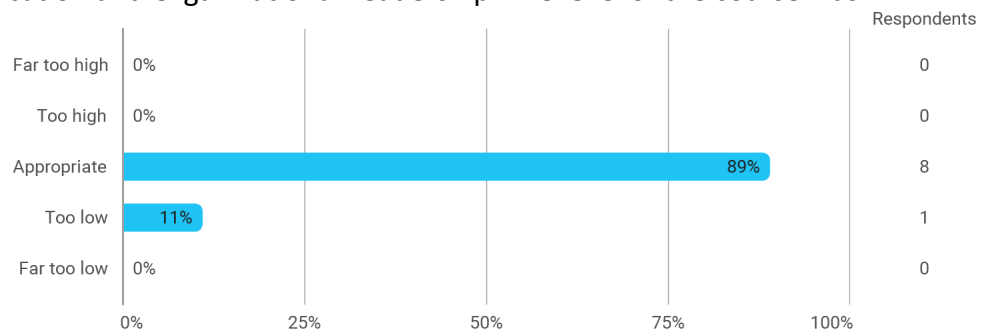

Globalization, Communication and Organizational Leadership: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

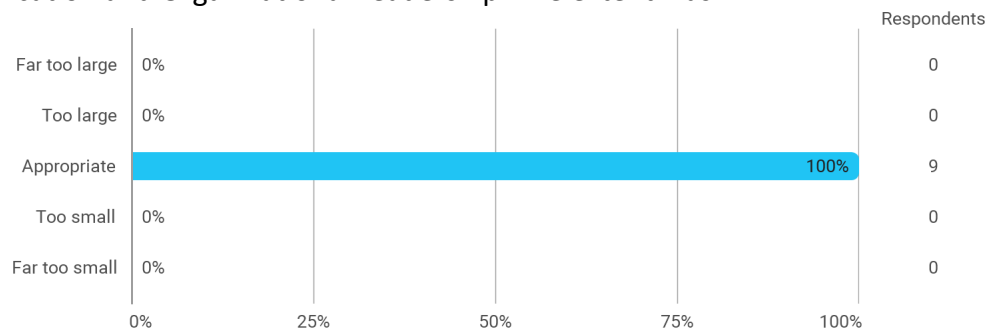

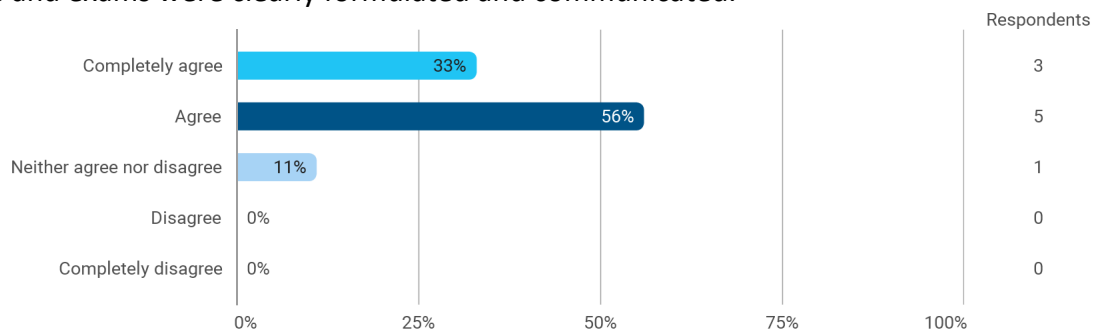

Globalization, Communication and Organizational Leadership: The level of the course was

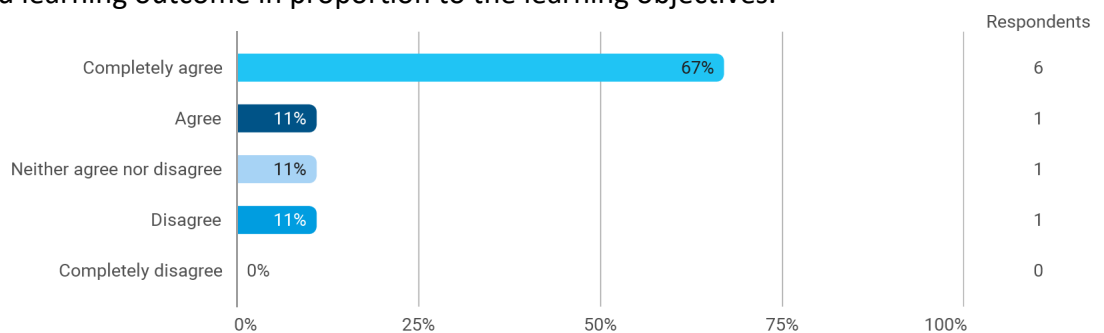

Globalization, Communication and Organizational Leadership: The extent was

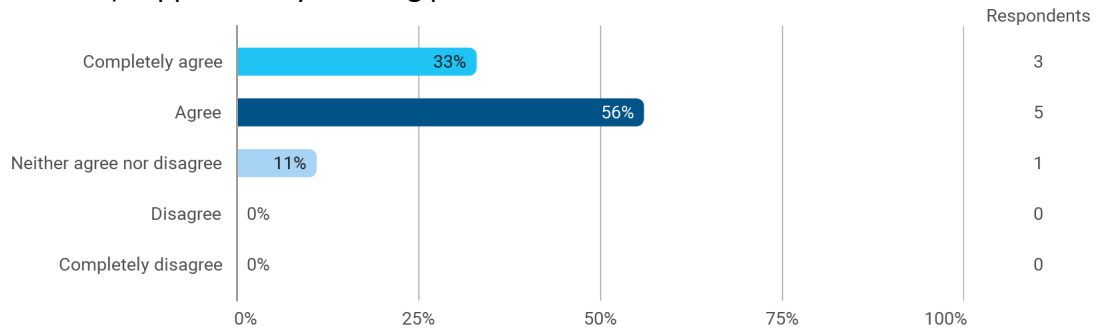

Globalization, Communication and Organizational Leadership: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

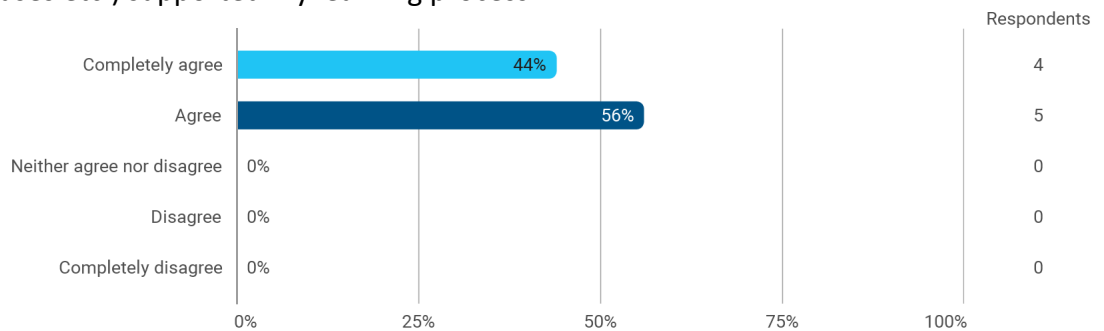

Globalization, Communication and Organizational Leadership: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

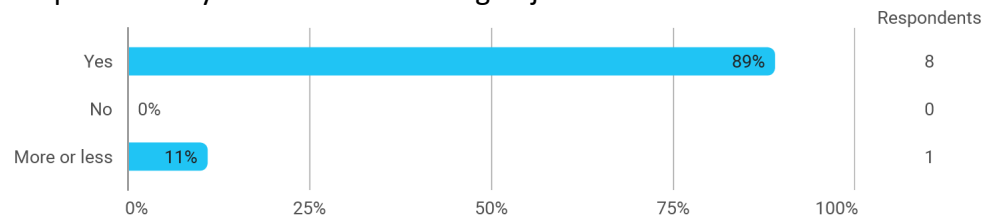

Globalization, Communication and Organizational Leadership: The course material (literature, assignments, cases etc.) supported my learning process.

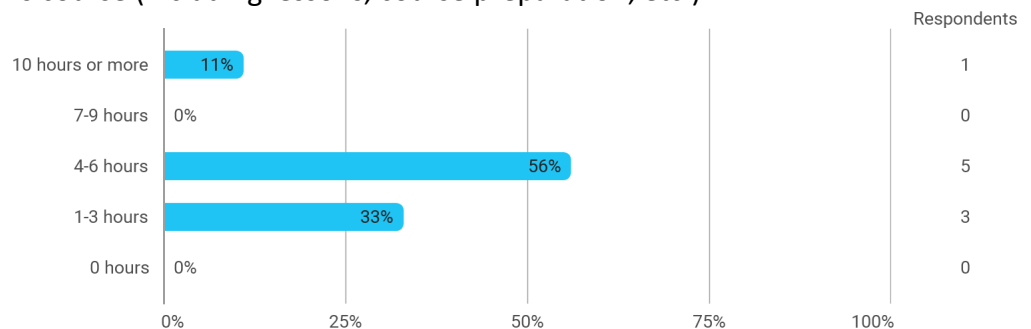

Globalization, Communication and Organizational Leadership: The course material (literature, assignments, cases etc.) supported my learning process.

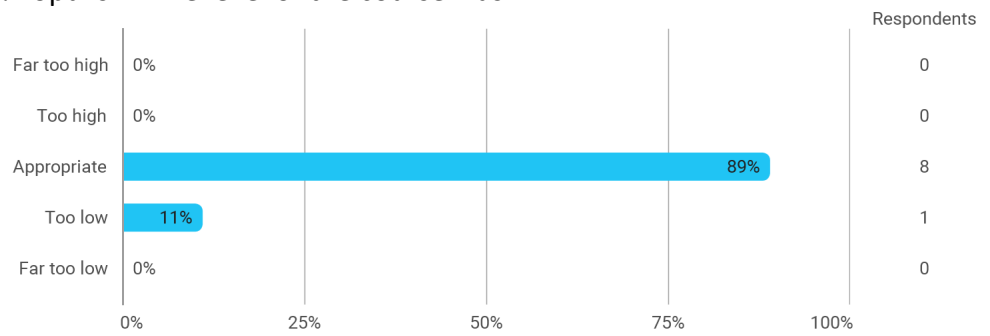

Nations, Nationalisms & Populism: Do you know the learning objectives of the course?

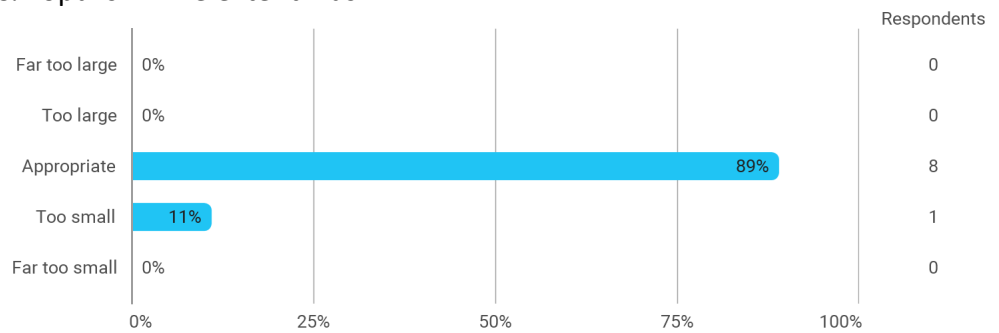

Nations, Nationalisms & Populism: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

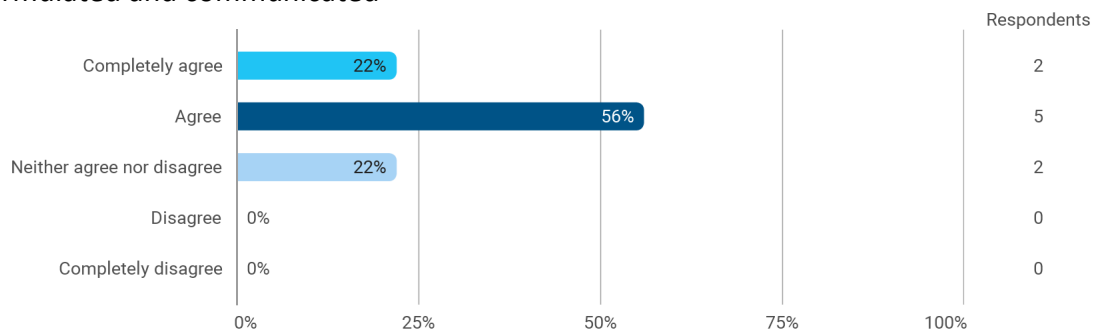

Nations, Nationalisms & Populism: The level of the course was:

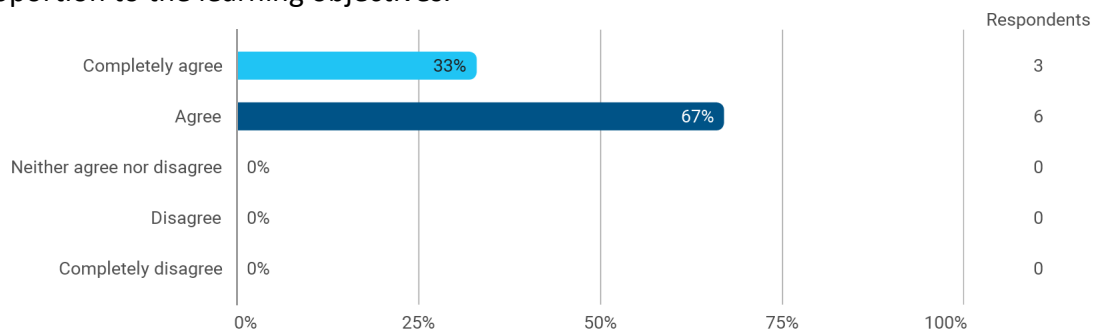

Nations, Nationalisms & Populism: The extent was

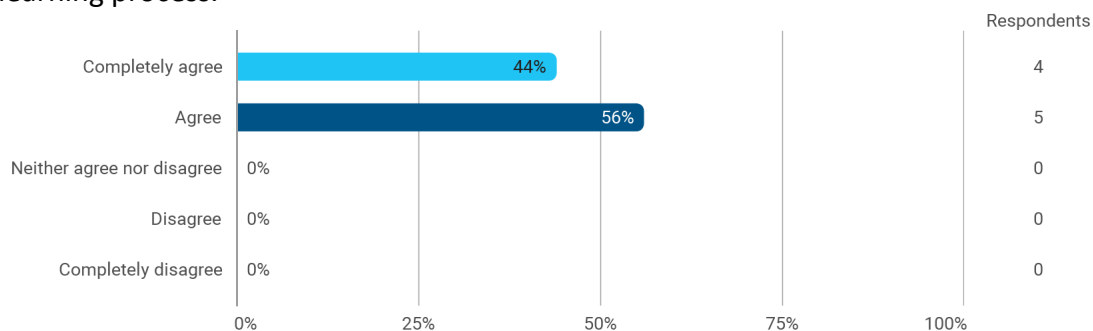

Nations, Nationalisms & Populism: Learning objectives and standards of assignments and exams were clearly formulated and communicated

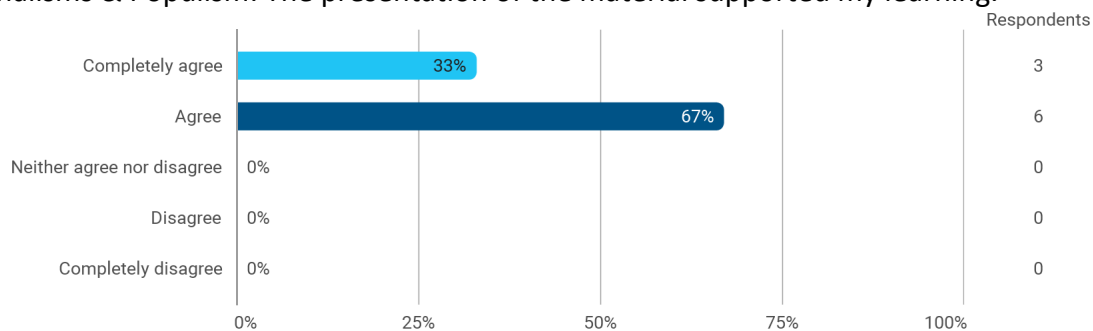

Nations, Nationalisms & Populism: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

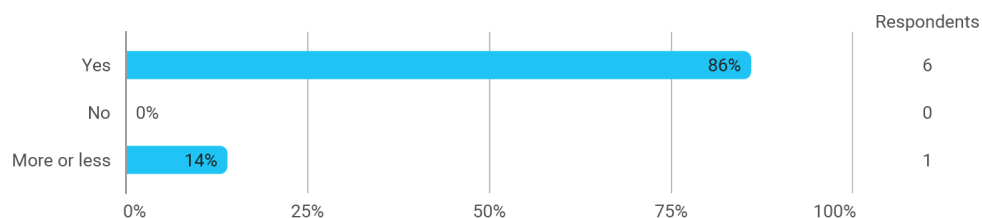

Nations, Nationalisms & Populism: The course material (literature, assignments, cases etc.) supported my learning process.

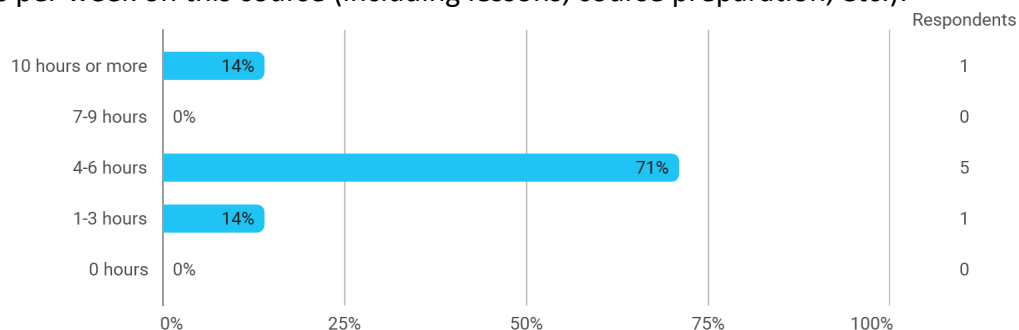

Nations, Nationalisms & Populism: The presentation of the material supported my learning.

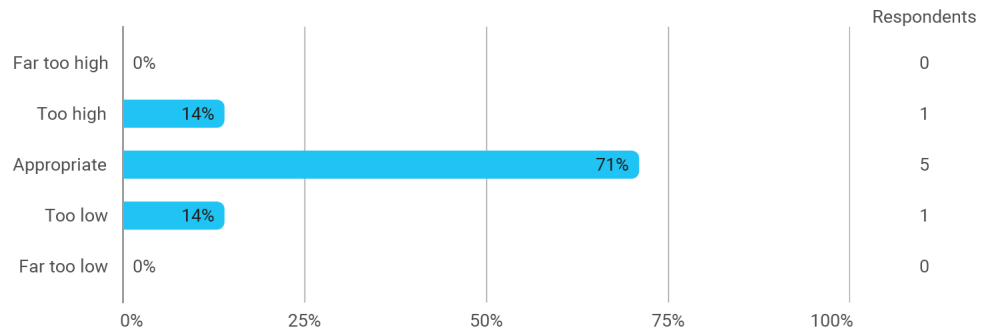

International Politics and International Institutions: Do you know the learning objectives of the course?

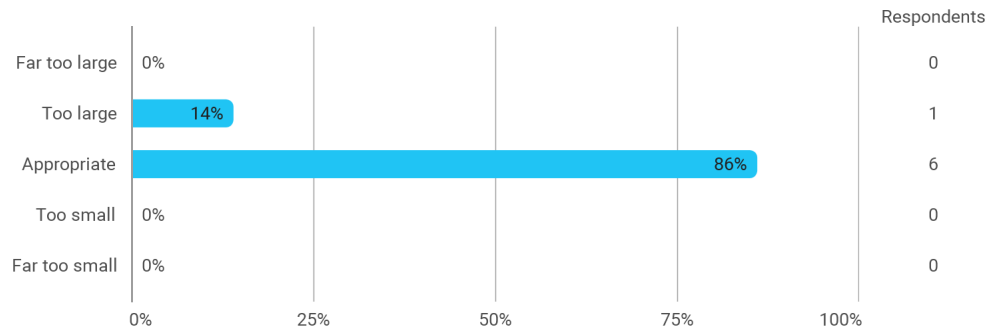

International Politics and International Institutions: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

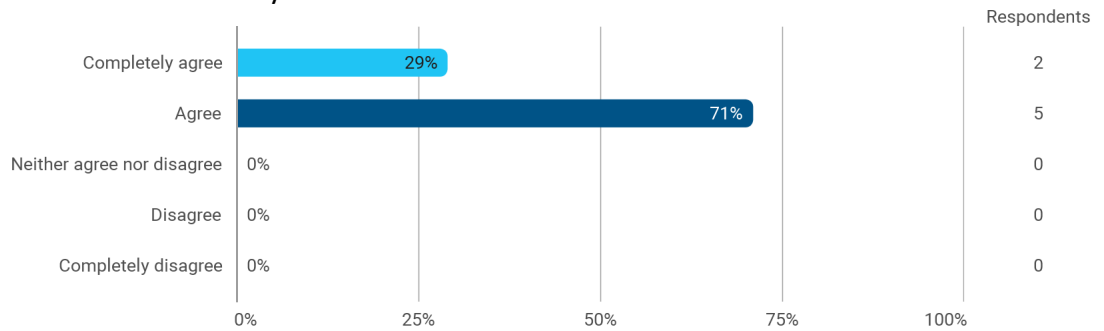

International Politics and International Institutions: The level of the course was

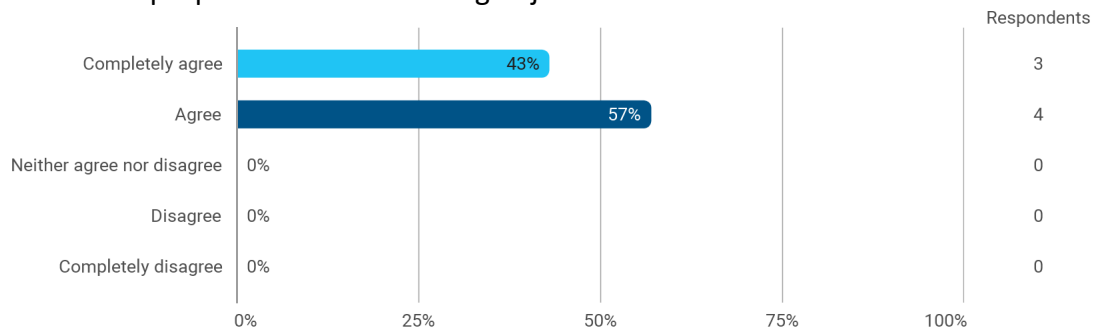

International Politics and International Institutions: The extent was

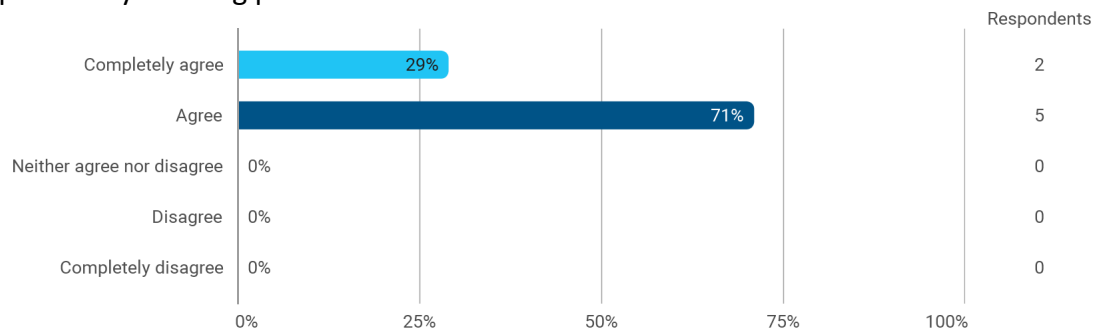

International Politics and International Institutions: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

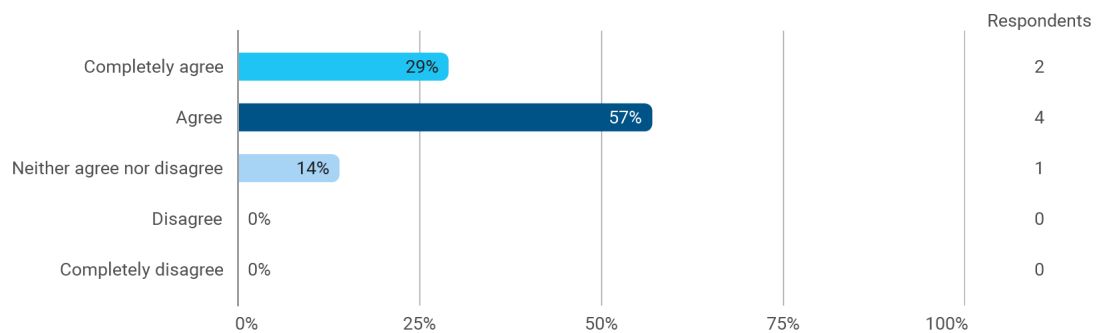

International Politics and International Institutions: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

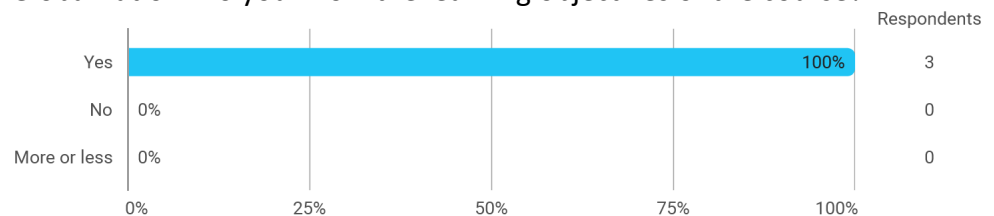

International Politics and International Institutions: The course material (literature, assignments, cases etc.) supported my learning process.

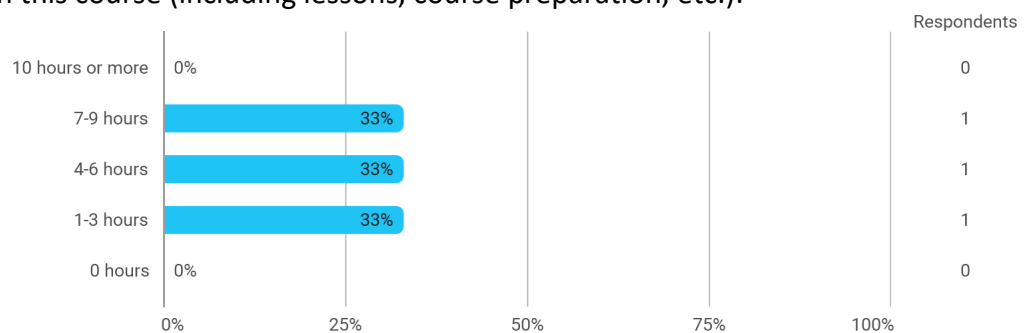

International Politics and International Institutions: The presentation of the material supported my learning.

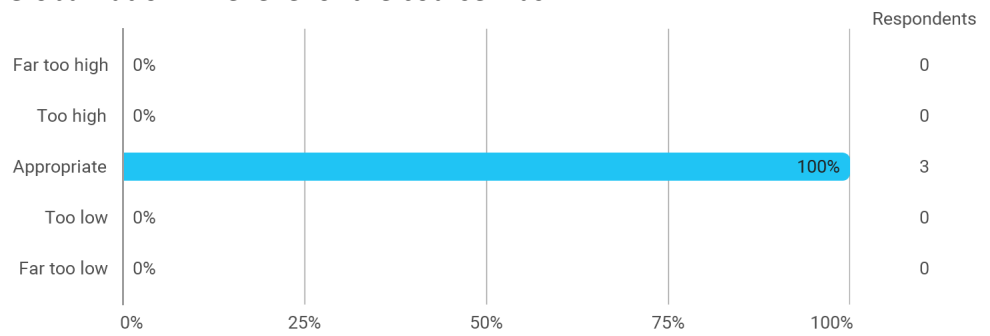

The Arctic in the Age of Globalization: Do you know the learning objectives of the course?

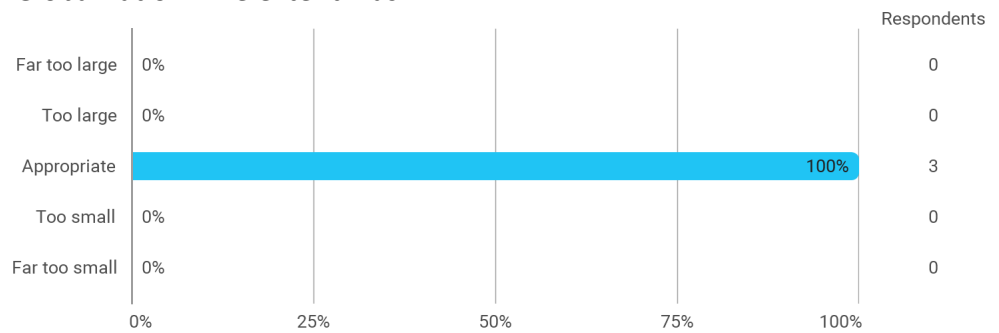

The Arctic in the Age of Globalization: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

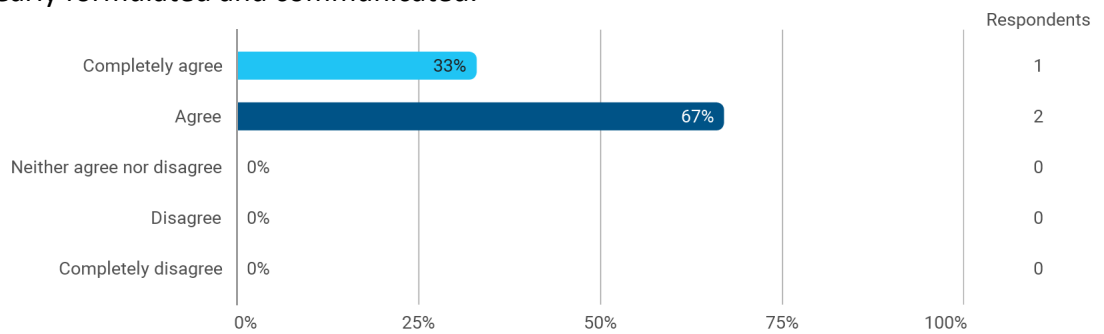

The Arctic in the Age of Globalization: The level of the course was

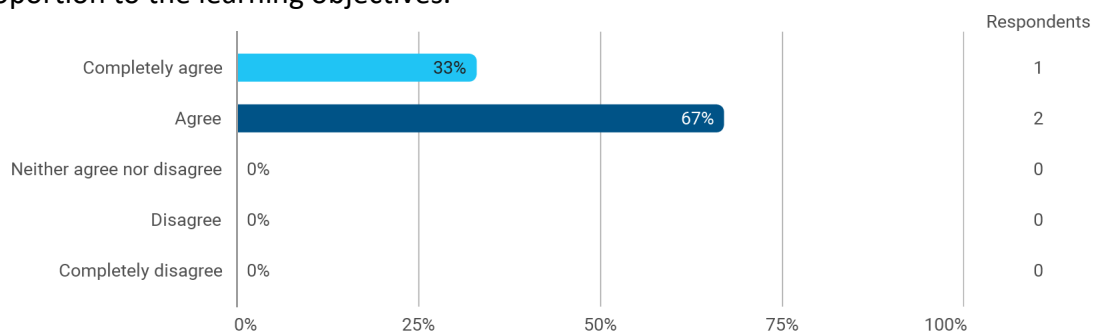

The Arctic in the Age of Globalization: The extent was

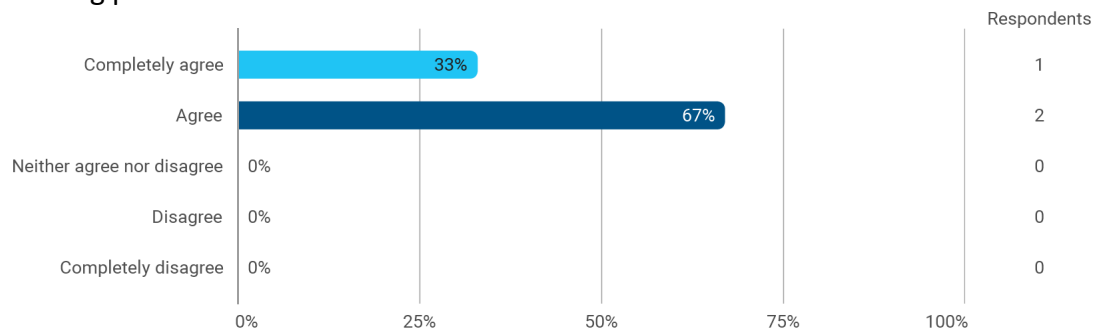

The Arctic in the Age of Globalization: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

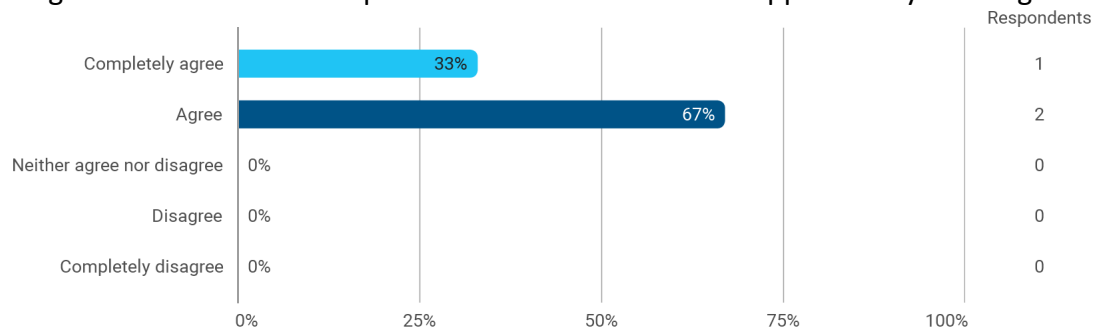

The Arctic in the Age of Globalization: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

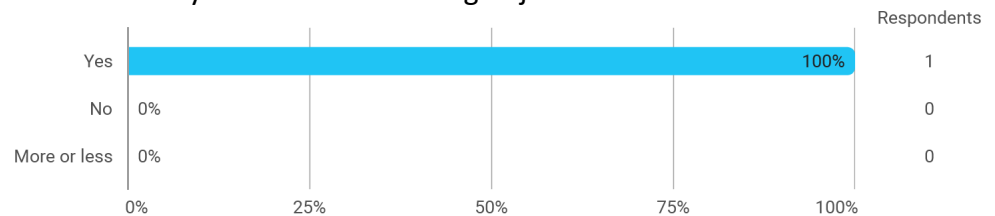

The Arctic in the Age of Globalization: The course material (literature, assignments, cases etc.) supported my learning process.

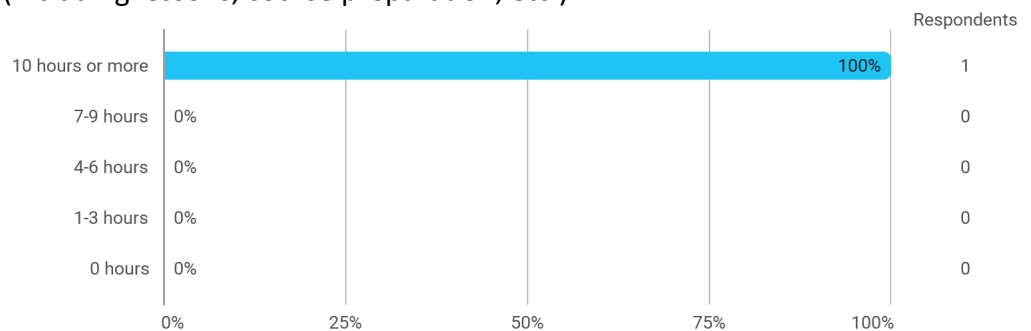

The Arctic in the Age of Globalization: The presentation of the material supported my learning.

Elective – Latin American Studies: Do you know the learning objectives of the course?

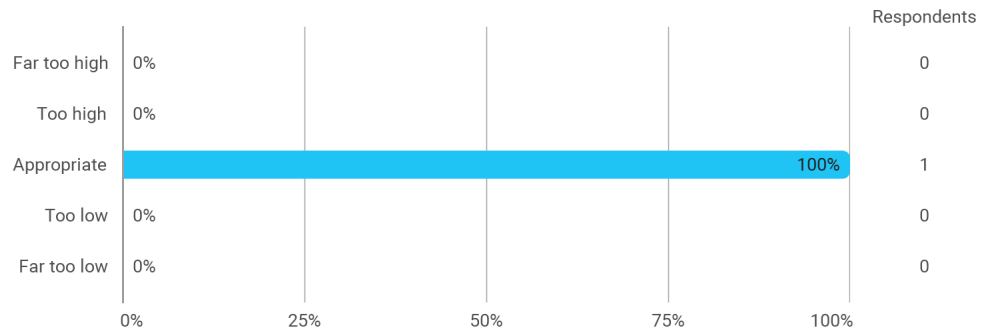

Latin American Studies: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

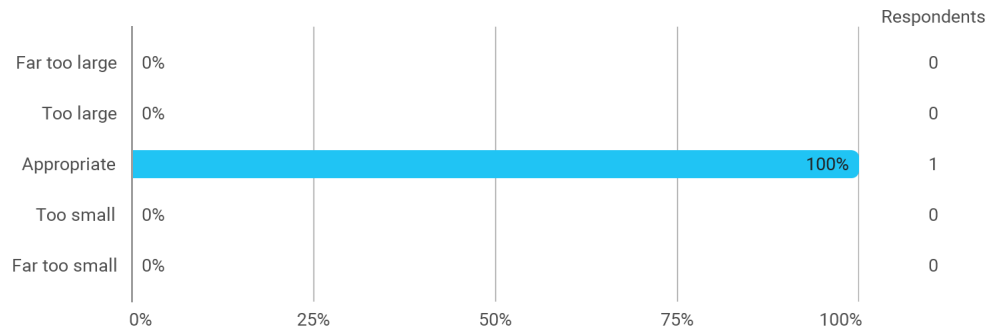

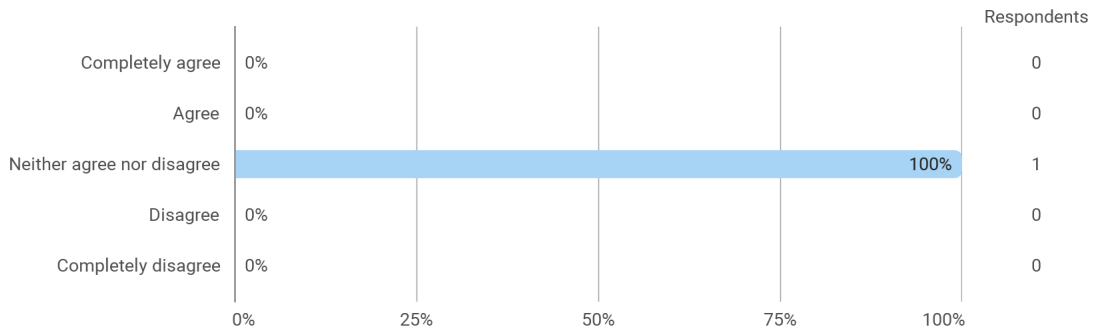

Latin American Studies: The level of the course was

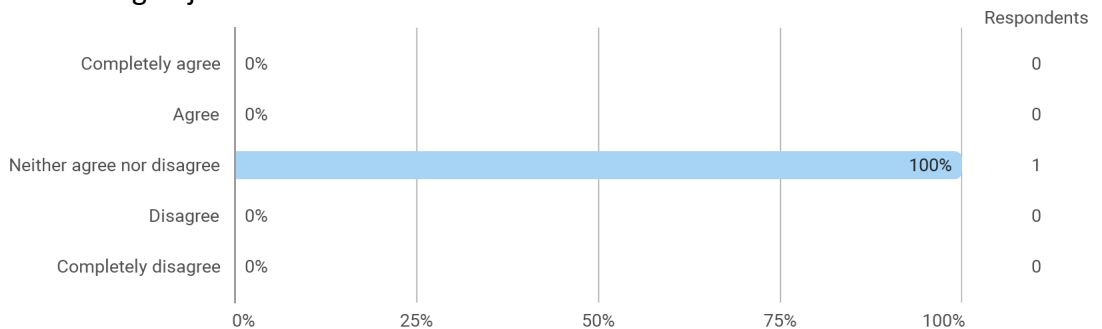

Latin American Studies: The extent was

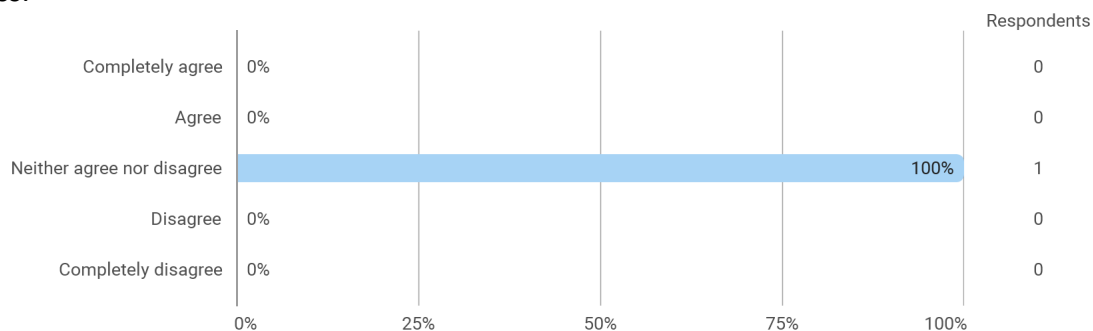

Latin American Studies: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

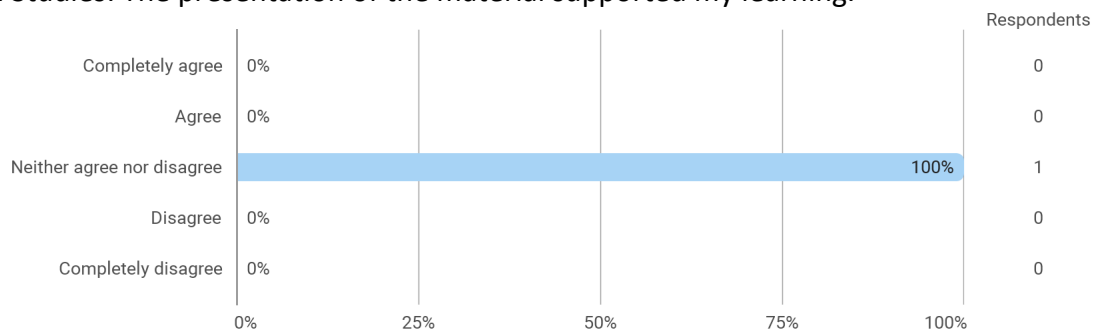

Latin American Studies: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

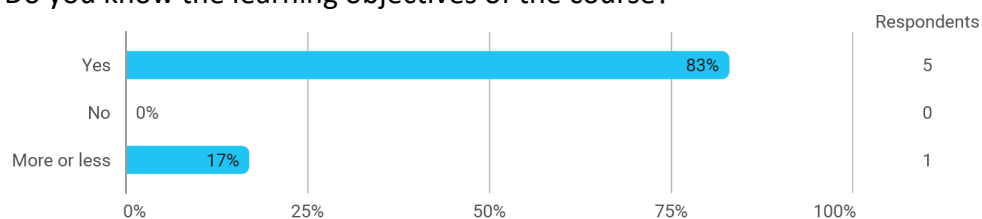

Latin American Studies: The course material (literature, assignments, cases etc.) supported my learning process.

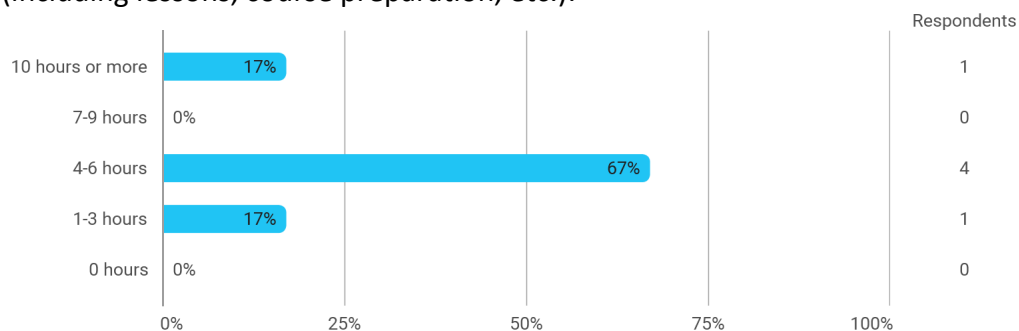

Latin American Studies: The presentation of the material supported my learning.

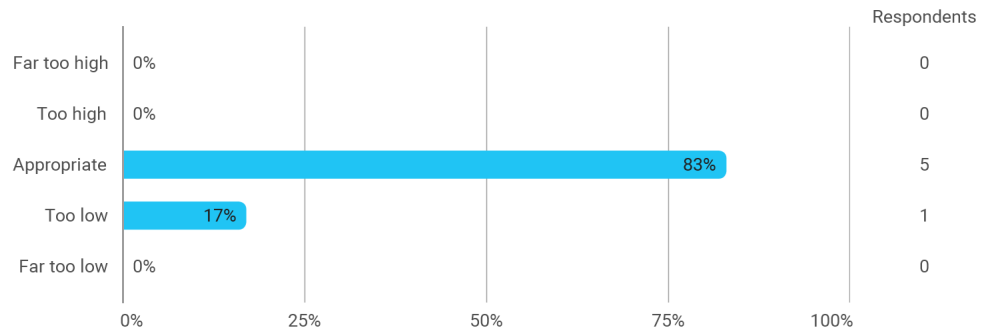

Global Gender Studies: Do you know the learning objectives of the course?

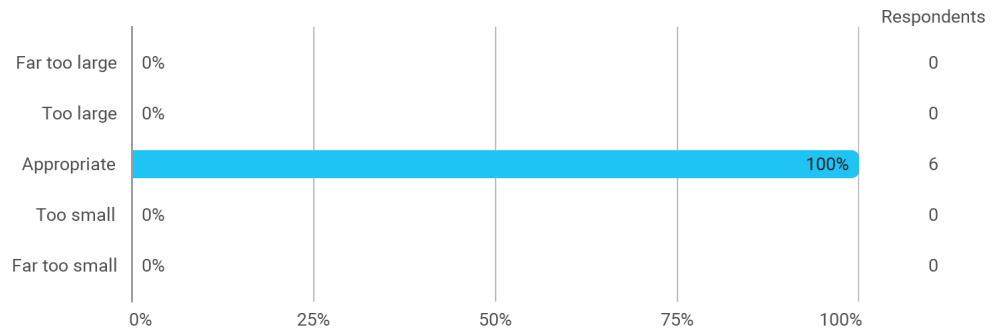

Global Gender Studies: All things considered, I have on average spent this number of hours per week on this course (including lessons, course preparation, etc.):

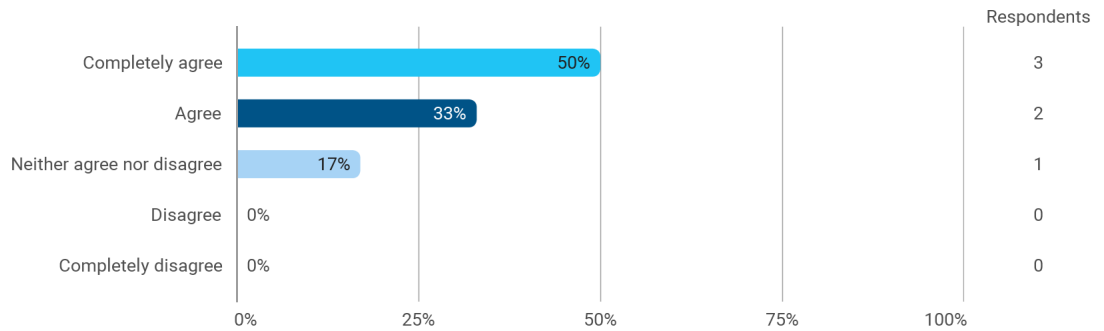

Global Gender Studies: The level of the course was

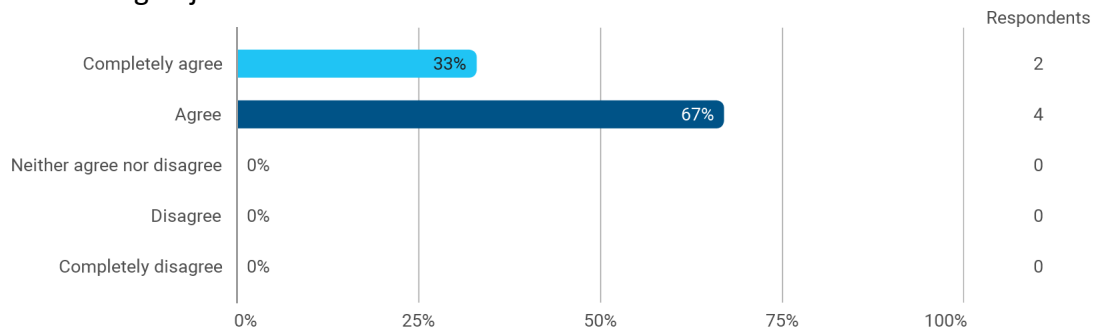

Global Gender Studies: The extent was

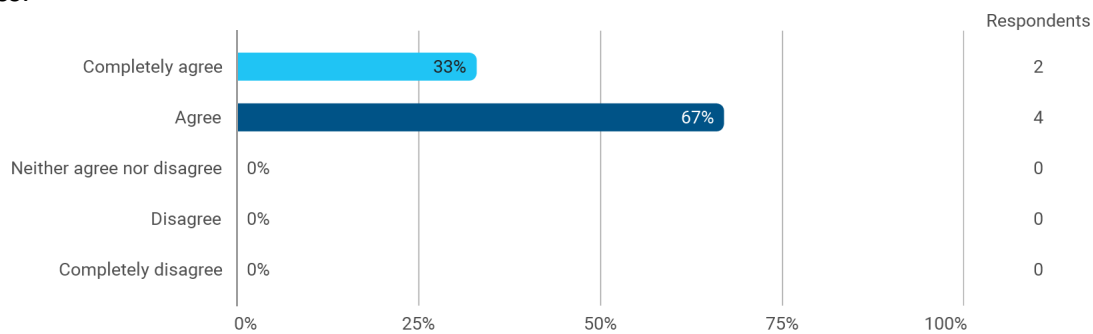

Global Gender Studies: Learning objectives and standards of assignments and exams were clearly formulated and communicated.

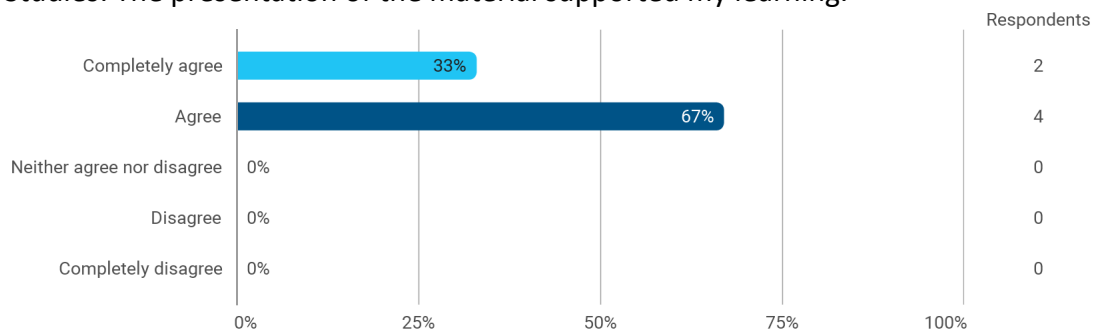

Global Gender Studies: All things considered, the course gave me a good learning outcome in proportion to the learning objectives.

Global Gender Studies: The course material (literature, assignments, cases etc.) supported my learning process.

Global Gender Studies: The presentation of the material supported my learning.
