Årstal: 2021 Semesterkoordinator/dato for udarbejdelse af rapport: Mark de Zee/21-03-2022 Antal afholdte styrings-/semestergruppemøder på semestret: 1 Bilag vedhæftet: No
Semestret generelt (bemærkninger til forberedelse/opstart, studie-/læringsmiljø, studerendes arbejdsindsats, deltagelse i styrings-/semestergruppemøder og semesterevaluering, administration, fysiske rammer m.m.) 11 (92 %) students have filled out the semester evaluation, which is good. The 3. semester is characterized that many students are doing their project as an internship or in cooperation with an external partner. All projects were done together with an external partner, which is great. One student was in the UK, another group of students were in Germany. The rest of the students stayed in Denmark. In general the evaluation showed that the students were very satisfied with the projects and the experience with their cooperation with an external partner.
Projektmodul (bemærkninger til forløb af gruppedannelse, forløb af projektgruppearbejde, projektvejledning, sammenhæng mellem projektgruppearbejde og kursusmoduler, statusseminar, eksamen m.m.) The group formation of the students went smooth. Two status seminars were organized.
Kursusmoduler (bemærkninger til kursusmodulers forløb – forelæsninger, caseundervisning, klinik ophold og kliniske øvelser, sammenhæng/progression i/mellem forløb, forberedelse/opgaveløsning/øvelser, eksamen m.m.) N/A
