

Semester Evaluation LISE 6th semester spring 2022

Which programme are you enrolled in this semester?

Which semester did you just conclude?

Did you have a study period abroad/in Denmark this semester?

Have you been in an internship in Denmark or abroad this semester?

All things considered, this semester I have on average spent this many hours on my studies per week (please include the hours spent on classes, preparation of classes, project work, and other study related activities during the semester):

Based on these figures, to which extent would you agree or disagree with the following statement:
I estimate that my total work effort during the semester was satisfactory

At the beginning of the semester, students were clearly informed about study activities and coherence between study activities in the semester.

How was your overall benefit of the semester with regard to knowledge, skills and competencies?

I completed or took part in producing a project this semester.

I completed the project together with others

The teamwork went well.

Why did you choose to work alone?

- Wanted to make sure I could write about what I wants without compromising on the topic

Was the project completed in cooperation with an external collaborator?

To which extent do you agree or disagree with the following statement:

Through the semester I felt well informed about practical issues (schedules, cancellations, change of venues, registration deadlines, etc)
