Knowledge of AAU before study start: Before I applied for my current education, I got to know AAU through:

Knowledge of AAU before study start: Before I applied for my current education, I got to know AAU through: - Other (please elaborate)

The experience of information and introduction: - I received relevant information before study start about the content and organisation of the programme (e.g. reading list, timetables, semester description)

The experience of information and introduction: - I received relevant information before the start of my studies about the practical conditions of the programme (e.g. registration in Moodle, ordering an AAU Card, where I had to show up, etc.)

The experience of information and introduction: - I received the information in time so that I could orient myself before the start of my studies

If there was anything that could have worked better during the onboarding course, you can indicate it here:

What information did you miss?

Everything came at the last second and when it did it was a copy from an earlier year.

The schedule is shared way to late

The experience of social and professional activities - In my experience, there has been a focus on social integration

The experience of social and professional activities - I experience that there has been a focus on professional integration

The experience of social and professional activities - I find that there have been activities that support a good study environment

The experience of social and professional activities - I have been presented with how much time I can be expected to spend on the programme and what activities there are on the programme

The experience of social and professional activities - I have been introduced to AAU's learning model, Problem-based learning (PBL)

The experience of social and professional activities - Through the introduction to AAU's learning model, Problem-based learning (PBL), I have gained an idea of what it is like to study at AAU

The experience of social and professional activities - Through the start of my studies, I have gained insight into the academic content of the programme (courses, teaching, project work, etc.)

The experience of the study start overall - I get along well with my fellow students and have settled in well

The experience of the study start overall - Overall, I am satisfied with the start of my studies

If you have suggestions on how we can make the start of studies better, you can list them here:

Educational choice: I feel that so far I have made the right choice of education

Here you can elaborate on why you feel that you have not made the right choice of education
