

## Call for Papers

### 28<sup>th</sup> Nordic Insulation Symposium

June 10-12, 2024, AAU, Aalborg, Denmark

#### SCOPE AND TOPICS

The symposium is an interdisciplinary Nordic forum for open discussion of ideas, research results and practical experience on electrical power insulation. It addresses itself to researchers and engineers working in research institutes, power industry and power supply and is also open for participants from outside the Nordic countries. Contributions from young researchers are particularly welcome.

**Invited speaker: Prof. Andrea Cavallini, University of Bologna, Italy**

Papers outside the preferential subject will be accepted for presentation at the second day of the Symposium. In practice, all subjects from previous Nord-IS sessions will be included, e.g.;

- insulation materials and systems
- ageing and breakdown phenomenon
- measurement and testing techniques
- condition assessment and monitoring
- insulation co-ordination
- modelling and simulation

#### IMPORTANT DATES:

Submission of abstract:	January 7, 2024 (extended)
Notification of acceptance to authors:	January 19, 2024
Submission of papers:	March 22, 2024
Notification of acceptance of full paper:	April 19, 2024
Advanced registration:	May 3, 2024
Conference	June 10-12, 2024
Technical tour	June 12, 2024

The abstract should be max 200 words and in Word or pdf format.
