3. Approval of education action plan for MSc in Lighting Design
4. Approval of education action plan for MSc in Sound and Music Computing

Enclosure
1. Minutes from education evaluation meeting + plan of action of all programs
2. Minutes from education evaluation meeting + plan of action of all programs
3. Minutes from education evaluation meeting + plan of action of all programs
4. Minutes from education evaluation meeting + plan of action of all programs

CBM went through every single point of the action plans.

1. Approval of education action plans for BSc and MSc in Medialogy (AAL + CPH)

The action plan for BSc in Medialogy (AAL+CPH) was approved with the following comments:

1) Why is the chairman of the study board the responsible person for point 5.1 (STUD/VIP ratioen skal monitøreres fremadrettet for at sikre, at der er den rette VIP-dækning på uddannelsen)?
2. There should be an action point regarding monitoring the new 2021-Bachelor study plan. 
   Like the point for the MSc in Medialogy (point. 2.1: Det skal sikres, at implementeringen 
   af ny studieordning foregår på fornuftig vis.)

   The action plan for MSc in Medialogy (AAL + CPH) was approved with no further comments.

2. **Approval of education action plan for MSc in Service System Design**

   The action plan for MSc in Service System Design was approved with no further comments.

3. **Approval of education action plan for MSc in Lighting Design**

   The action plan for MSc in Lighting Design was approved with no further comments.

4. **Approval of education plan for MSc in Sound and Music Computing**

   The action plan for MSc in Sound and Music Computing was approved with no further comments.
