Dear [REDACTED]

This message is regarding your application for Economics and Business Administration / Business Data Science (Aalborg).

Congratulations on your offer of admission to Aalborg University.

Please be advised that you belong to the group of non-EU/EEA-citizens who are required to pay tuition fees at Aalborg University. Accordingly, you will be charged a tuition fee prior to each semester.

Payment deadline

The tuition fee for the first semester is DKK 24600 / EUR 3310, and is due no later than **15 June 2022**.

This deadline is set to ensure that you will be able to get your residence permit in time for semester start. The expected processing time at The Danish Agency for International Recruitment and Integration (SIRI) is approx. 2 months. Please note that any application submitted after this deadline may result in you failing to obtain your residence permit in time for study start.

Aalborg University expects you to attend your studies from the start of the semester. If this is not the case, your admission and residence permit might be cancelled.

If you already have a valid Danish residence permit, please contact us at masteradmission@aau.dk in order for us to extend your payment deadline to 1 August 2021.

Payment receipt

When our Finance department has registered your payment, we will send you a confirmation of payment via the Application Portal. Please note that it can take up to 14 days before we can see the payment.

Subsequent payments

Subsequently, tuition fees for the following semesters must be paid one month before semester start. You will receive an email when your next payment is due. Aalborg University makes reservations concerning any adjustments that may arise in connection with the tuition fees. Fees are subject to change. If fees differ you will be required to pay the difference prior to your enrolment to Aalborg University.

Refund policy

If you wish to terminate your studies prior to study start, paid tuition fee will be refunded in full. A full refund will require that you notify masteradmission@aau.dk before study start. If you terminate your studies within the first month of the semester, i.e. February for the spring semester and September for the autumn semester, only part of the tuition fee can be refunded. However, if your studies are terminated later than one month after study start, you will not be eligible for a

refund.
