Dear [REDACTED]

This message is regarding your application for Economics and Business Administration / Business Data Science (Aalborg).

Please note that if you are conditionally admitted this letter does not confirm full admission.

Welcome to Aalborg University!

Congratulations on your admission to Aalborg University (AAU). We are happy to welcome you to your new student life. In this letter, you will find important information about your study start.

Arrival days 23 and 25 August

AAU Admissions Office will host online sessions on Tuesday 23 August from 10:00 to 11:30 (CET) and Thursday 25 August from 13:30 to 15:00 (CET). You should only attend one of the days. You will receive more information about the sessions in August in a separate message via the application portal.

In the sessions we will go through important information about life as a student in Denmark, including how to find and use the doctor, how to register for residence permit (only EU residents, as non-EU already have student visa) and how to register for the health insurance.

Welcome to campus event

On 31 August AAU Admissions Office will host an event for all international students where you can meet your fellow international students and socialise with food, tour of the campus EAST (main campus) and games. The day will start 9.30 AM with breakfast. You will receive more about the day in a separate message via the application portal.

Withdraw application?

We understand that plans may change, and we kindly ask you to inform us in an email to masteradmission@aau.dk if you want to withdraw your admission to AAU. This way we will be able to offer the study place to another student.
