2. Do you agree or disagree with the following statements? - I feel comfortable in my chosen degree programme

2. Do you agree or disagree with the following statements? - I feel that there is a great sense of community in my degree programme

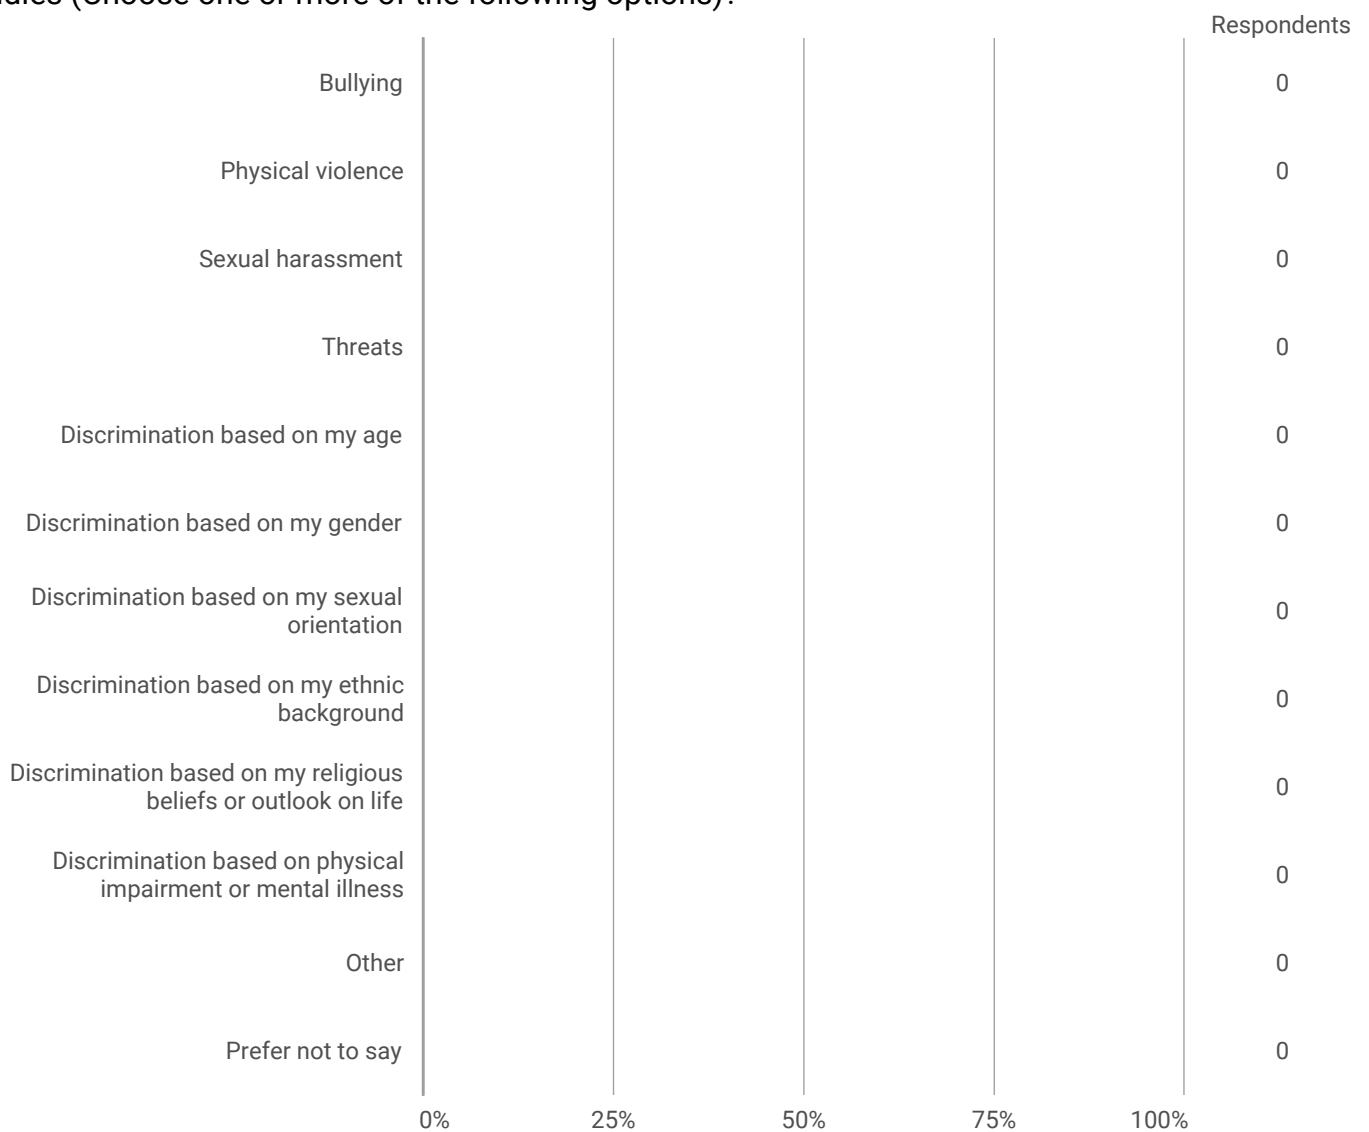

2. Do you agree or disagree with the following statements? - I feel that there is a great academic community in my degree programme

Have you experienced or been a victim of offensive or abusive behaviour and/or discrimination during your studies (such as bullying, violence, sexual harassment, discrimination based on gender, ethnicity, etc.)?

Which type(s) of abusive behaviour and/or discrimination have you experienced during your studies (Choose one or more of the following options)?

Who has subjected you to abusive behaviour/discrimination during your studies (select one or more of the following options)?

Corona

To what extent have the following digital/physical forms and means of teaching been used: -
Physical teaching in an auditorium/seminar room

To what extent have the following digital/physical forms and means of teaching been used: -
Conversations with the supervisor outside of the scheduled teaching

To what extent have the following digital/physical forms and means of teaching been used: - Real-time streaming of the teaching for students at home

To what extent have the following digital/physical forms and means of teaching been used: - Real-time streaming of the teaching for students located in their group rooms

To what extent have the following digital/physical forms and means of teaching been used: - Real-time streaming of the teaching for students located in the auditorium/seminar room

To what extent have the following digital/physical forms and means of teaching been used: - Streaming af teaching videos which can be seen individually and asynchronously

To what extent have the following digital/physical forms and means of teaching been used: - Streaming of teaching videos which are followed collectively, eg.; in group rooms

To what extent have the following digital/physical forms and means of teaching been used: - Groupwork with exercises and discussions facilitated on a digital platform

To what extent have the following digital/physical forms and means of teaching been used: -
Groupwork with exercises and discussions facilitated physically

To what extent have the following digital/physical forms and means of teaching been used: -
Groupwork with exercises and discussions with written feedback

To what extent have the following digital/physical forms and means of teaching been used: -
Digital project supervision

To what extent have the following digital/physical forms and means of teaching been used: -
Physical project supervision

To what extent have the following digital/physical forms and means of teaching been used: -
Written project supervision

The learning outcome from these activities has been satisfactory - Physical teaching of students
in an auditorum/seminar room

The learning outcome from these activities has been satisfactory - Conversations with the supervisor outside of the scheduled teaching

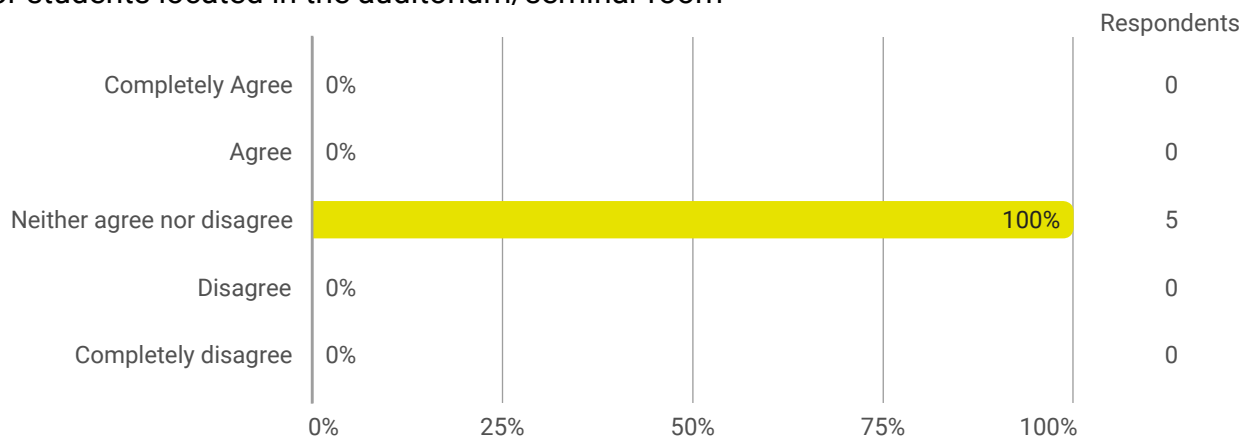

The learning outcome from these activities has been satisfactory - Real-time streaming of the teaching for students located at home

The learning outcome from these activities has been satisfactory - Real-time streaming of the teaching for students located in their group rooms

The learning outcome from these activities has been satisfactory - Real-time streaming of the teaching for students located in the auditorium/seminar room

The learning outcome from these activities has been satisfactory - Streaming of teaching videos which can be seen individually and asynchronously

The learning outcome from these activities has been satisfactory - Streaming of teaching videos which are followed collectively, eg.; in group rooms

The learning outcome from these activities has been satisfactory - Groupwork with exercises and discussions facilitated on a digital platform

The learning outcome from these activities has been satisfactory - Groupwork with exercises and discussions facilitated physically

The learning outcome from these activities has been satisfactory - Groupwork with exercises and discussions with written feedback

The learning outcome from these activities has been satisfactory - Digital project supervision

The learning outcome from these activities has been satisfactory - Physical project supervision

The learning outcome from these activities has been satisfactory - Written project supervision

The combination of different forms of physical and digital teaching has supported my motivation and satisfaction in my study

The combination of different forms of physical and digital teaching has provided a satisfactory learning outcome
